Synchronicity And The Seventh Seal:

Synchronicity and the Seventh Seal Peter Moon, 2004-02 Synchronicity and the Seventh Seal is a true life adventure where the crossroads of parallel universes meet to reveal the core formula of reality Told against the backdrop of King Solomon's underground catacombs this book explores the pathway to the Unified Field through the principle of synchronicity In 1990 when Peter Moon encountered Preston Nichols and opened the door to the public investigation of the Montauk Project he began to experience odd synchronicities that were far beyond the range of what could be considered ordinary coincidences In the midst of writing and editing books Peter found that these synchronicities accelerated at a far greater rate than he could easily chronicle and put into book form Only now after a dozen years is he beginning to catch up and publish the first instalment which is entitled SYNCHRONICITY AND THE SEVENTH SEAL Peter's first solo authored book since THE BLACK SUN in 1997 This new book begins with a historical and scientific look at synchronicity before leading into a recapitulation and new perspective on the many synchronicities that are now part of the Montauk legend After revealing the paranormal prelude that led him to the Montauk Project which includes the origins of the Remote Viewing phenomena Peter gives a riveting account of and a totally new perspective to the Babalon Working which was revealed to him as a result of his adventures with Marjorie Cameron the wife of Jack Parsons who was the vehicle used to precipitate the return of the Goddess SYNCHRONICITY AND THE SEVENTH SEAL reveals new mysteries about the Babalon Working and how his study of it led to further synchronicity including a unique penetration of the work of John Dee and Edward Talbot Kelly two magicians who inspired the Babalon Working and also dictated the future course of Western Civilization under the sponsorship of Queen Elizabeth I Ultimately this path of synchronicity leads to the revelation of the Seventh Seal itself It is not what you think but you will not be disappointed and you will learn the greatest secret by which the multitudes have been duped since the beginning of the Christian Era [The Breaking of the Seventh Seal](#) GrŽgoire de Kalbermatten, 2018-12-13

An action packed fantasy about the Avasthas a race that vanished ten thousand years ago and their re appearance in these times The returned Avasthas must solve the riddles of the blue and yellow feathers in order to progress from the Outer World of human interactions to the Inner World of spiritual endowment and powers It is only when this knowledge is readily available to all that the Devil's plot will be defeated on earth and the Great Schism of man's split identity will be overcome
