

JOHN 3:16

...he lifted up, ¹⁵ that whoever believes
in him may have eternal life. ¹⁶
For God so loved the world that
he gave his only Son, that whoever
believes in him should not perish but
have eternal life. ¹⁷ For God sent the
Son into the world, not to condemn the
world, but to save it. ¹⁸ Who
believes in the Son, that the world
may not condemn him. ¹⁹ He who
does not believe in the Son, that
the world may condemn him. ²⁰ The
light that comes into the world
and the life that comes into the
world, that the world may not
condemn him. ²¹ He who
believes in the Son, that the world
may not condemn him. ²² He
who does not believe in the Son,
that the world may condemn him.

Systematic Theology Alfred R. Malo, 2017-09-05 In a day where churches have forsaken the midweek Bible study and come together only on Sunday morning there is a lack of doctrinal teaching to facilitate growth in a believer The Bible tells us to study to show yourself approved unto God a workman that need not be ashamed rightly dividing the Word of Truth God's Word For those new in the faith or those who desire to know the Lord in a deeper way through continued study how is that possible The answer is through self study This book was written to be a tool to help you examine some of the foundational doctrines It is not written in scholarly language but in a way that will benefit learners at all stages of growth We will examine together what the Holy Scriptures teach on The Trinity The Word of God The Lord Jesus Christ and the Holy Spirit There is a wealth of knowledge in this volume when used as a guide for individual study or in a group that will help to set any believer upon the right foundation Back cover *SCM Studyguide: Theology in the Contemporary World* Ben Pugh, 2017-11-30 No

sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry Subjects covered include The Quests for the Historical Jesus Third Article Theology The Missional Church Liberation Theology Feminist LGBT and Queer Approaches Postmodern Faith and the Emerging Church Nonviolent Atonement *SCM Studyguide: Theological Reflection* Judith Thompson ,Stephen Pattison,Ross Thompson,2019-03-30 Since it was first published the SCM Studyguide to Theological Reflection has quickly gained a reputation for being a vital and accessible guide to the subject for all who embark on it for the first time This studyguide offers newcomers a step by step introduction to understanding what theological reflection is and helps them to explore which of the methods introduced best suits them and their particular situation It is practical in emphasis providing students with a wide variety of worked examples and opportunities to carry out their own exercises This 2nd edition will bring the content up to date offering a revised and improved bibliography and updated and refreshed examples and exercises including new sections on scriptural reasoning and contemplative theology *SCM Studyguide: Philosophy and the Christian Faith* Ben Pugh ,2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship *SCM Studyguide: Christian Doctrine* Astley Jeff,2015-04-21 An accessible textbook for all engaging with Christian doctrine for the first time A valuable resource and suitable for all clergy and all training for ministry **Outlines of Systematic Theology** George Dana Boardman Pepper,1873 **Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity** Dr. Todd M.
