Postapocalyptic Fiction and the Social Contract Claire P. Curtis,2010-07-17 Postapocalyptic Fiction and the Social Contract We ll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including Lucifer s Hammer by Larry Niven and Jerry Pournelle Alas Babylon by Pat Frank Malevil by Robert Merle and Into the Forest by Jean Hegland The latter half of the book examines Octavia Butler s postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability

American Cities in Post-Apocalyptic Science Fiction Robert Yeates,2021-11-15 Visions of the American city in post apocalyptic ruin permeate literary and popular fiction across print visual audio and digital media American Cities in Post Apocalyptic Science Fiction explores the prevalence of these representations in American culture drawing from a wide range of primary and critical works from the early twentieth century to today Beginning with science fiction in literary magazines before taking in radio dramas film video games and expansive transmedia franchises Robert Yeates argues that post apocalyptic representations of the American city are uniquely suited for explorations of contemporary urban issues Examining how the post apocalyptic American city has been repeatedly adapted and repurposed to new and developing media over the last century this book reveals that the content and form of such texts work together to create vivid and immersive fictional spaces in ways that would otherwise not be possible Chapters present media specific analyses of these texts situating them within their historical contexts and the broader history of representations of urban ruins in American fiction Original in its scope and cross media approach American Cities in Post Apocalyptic Science Fiction both illuminates little studied texts and provides provocative new readings of familiar works such as Blade Runner and The Walking Dead

placing them within the larger historical context of imaginings of the American city in ruins Study Guide: The Road
