Ebook Phonics Practice:

Math Phonics - Multiplication (ENHANCED eBook) Marilyn B. Hein, 1996-03-01 Math Phonics is a specially designed program for teaching the mastery of basic math concepts and facts The name Math Phonics tm is used because the rules patterns and memory techniques developed for this program are similar to those used in language arts Most of the rules are short and easy to learn Children are taught to look for patterns and use them Repetition and drill are the keys In just minutes a day your students can master the multiplication facts 0 through 12 EBOOK: National Curriculum for the Early Years Angela Anning, 1995-10-16 What does the National Curriculum mean to pupils and teachers at Key Stage One How have teachers and children coped with the ongoing changes How has subject teaching altered in infant classrooms In A National Curriculum for the Early Years Angela Anning and her team of contributors set out to examine these issues Infant teachers and their pupils were the guinea pigs for the introduction of the National Curriculum over a five year period Despite many reservations about a subject based curriculum for young children teachers struggled to interpret the National Curriculum Orders into a workable if not manageable curriculum in their classrooms The contributors to this book each experts in a subject discipline have kept in close touch with practising and intending infant teachers as the National Curriculum was operationalized in primary schools They have used their teacher networks as well as research evidence to tap into the strategies used by infant teachers to cope with the planning delivery and assessment of the National Curriculum subjects and the effects of government policy changes on young children s learning Together the contributors provide a timely analysis of subject discipline based education for young children and look ahead to the prospects for those subjects at Key Stage One in the second half of the 1990s This book will be essential reading for anyone involved in the education of young children
