Mainstreaming Gays Eve Ng, 2023-09-15 Mainstreaming Gays examines a key transitional period linking the eras of legacy and streaming when queer production and interaction was transformed by the emergence of digital media the rising influence of fan cultures and increasing interest in LGBTQ content It is critical reading for those interested in media production fandom subcultures and LGBTQ digital media

Youth Digital Health and Online Platforms Martyna Gliniecka, 2024-12-27 Youth Digital Health and Online Platforms focuses on young people's use of the digital platform Reddit for health Drawing upon dialogism theory the book explores how young people produce a youth led discourse of youth digital health different from the adult led framing represented in youth digital health research policy and service delivery Peer led discussions online remain one of the controversial forms of youth digital health associated with negative peer influence or casual teenage talk This book argues that online peer led dialogues support young people's agency in health and that young people can benefit from dealing with health issues with peers The work is based on the digital ethnography of teenagers subreddits on Reddit and utilises a theoretical framework of dialogism a linguistic based theory originated by an early 20th century Russian philosopher Mikhail Bakhtin The book introduces the concept of dialogical youth led youth digital health discourse formed in the peer led space of Reddit This youth led discourse celebrates equality and diversity amongst people meanings and opinions It is constructed around three relational elements socio material affordances creative practices and a plurality of youth voices Reddit's pseudonymous anti authoritarian and egalitarian nature supports the emergence of this youth led discourse The book can interest scholars and lecturers in childhood and youth studies Internet studies and youth health studies Professionals such as policymakers service designers deliverers online safety educators and global youth and health agencies can use evidence based insights in their work with young people

Social Media and Democracy Nathaniel Persily, Joshua A. Tucker, Joshua Aaron Tucker, 2020-09-03 A state of the art account of what we know and do not know about the effects of digital technology on democracy

The Propagation of Misinformation in Social Media Richard Rogers, 2025-10-01 There is growing awareness about how social media circulate extreme viewpoints and turn up the temperature of public debate Posts that exhibit agitation garner disproportionate engagement Within this clamour fringe sources and viewpoints are mainstreaming and mainstream media are marginalized This book takes up the mainstreaming of the fringe and the marginalization of the mainstream In a cross platform analysis of Google Web Search Facebook YouTube Reddit Twitter Instagram 4chan and TikTok the authors found that hyperpartisan web operators alternative influencers and ambivalent commentators are in ascendency The book can be read as a form of platform criticism It puts on display the current state of information online noting how social media platforms have taken on the mantle of accidental authorities privileging their own on platform performers and at the same time adjudicating between claims of what is considered acceptable discourse

Loving Our Enemies Through Seasons of Bitterness Lex Kohn, 2025-06-30 In a nation

crumbling under the weight of bitterness where government is the people's god the way through is neither legislation nor activism but loving the least loveable A study of internet influence conflict theory and nineteenth century wisdom reveals that people do not have to solve their disagreements if they can relearn how to love their enemies as Christ commanded This book highlights courageous men and women of faith from biblical times up through the present who obeyed this commandment the Scriptures they followed and how they managed it so that people today too might learn to substitute love instead of bitterness

Emerging Dynamics in Audiences' Consumption of Trans-media Products Carmen Spano,2020-11-27 The book investigates the new forms of empowered agency possessed by national audiences with reference to two particular television texts Game of Thrones and Mad Men The two popular American TV shows are highly successful products of the convergence era characterized by trans media storytelling as a strategy and the interconnection of audiences multiple practices of reception and fruition The book argues how the analysis of audience engagement with trans media texts will disclose important information about the various ways people organize their lives around media and how these activities help them to make sense of the world they live in

Studying Youth, Media and Gender in Post-Liberalisation India Nadja-Christina Schneider,Fritzi-Marie Titzmann,2014-11-21 This volume aims to look both at as well as beyond the Delhi Gang Rape through the lens of Indian Media Studies The editors consider it a critical event or rather critical media event that needs to be contextualized within a rapidly changing diversifying and globalizing Indian society which is as much confronted with new ruptures asymmetries and inequalities as it may still be shaped by the old established structures of a patriarchal social order But the volume also looks beyond the Delhi Gang Rape and introduces other related thematic areas of an emerging research field which links Youth Media and Gender Studies
