Before self help was even a thing, facing extraordinary circumstances from a young age, including childhood abuse and the ultimate reckoning with her family over those experiences, Pam relied on her instincts and self awareness not only to survive but to thrive. Those instincts would later become methods for success within the world of personal development. For Pam, however, they were simply an intuitive solution to an unthinkable situation. In *I Hope You're Having a Great Day! I Know I Am!*, Pam courageously shares her fascinating story to inspire readers to make simple changes for maximum impact to their everyday lives. *12 Step Guide For The Self-Help Book Addict* Jen Palko, 2020-12-15 This book is a 12 step guide for the self help book addict, someone who collects and owns bookshelves full of personal development and self help books yet never feels helped. The basis for this book is about choosing your reality versus it choosing you, taking inspired action versus reading about it all the time. The goal with this book is to make you think about your life, what you want out of your life, and how you're filtering and choosing your reality on a daily basis. By the end of it, you'll have the ability to not only shift your mindset but choose the life you want, not because a book forces you to do it, but because you DECIDE.
