Teachings of the Living Prophets Student Manual The Church of Jesus Christ of Latter-day Saints, 2013-11-26 President James E Faust 1920-2007 of the First Presidency explained the role of prophets and the need for the revelation they receive The prophets seers and revelators have had and still have the responsibility and privilege of receiving and declaring the word of God for the world These are the prophetic oracles who have tuned in over the centuries to the celestial transmitting station with a responsibility to relay the Lord's word to others This Church constantly needs the guidance of its head the Lord and Savior Jesus Christ This was well taught by President George Q Cannon while serving in the First Presidency We have the Bible the Book of Mormon and the Book of Doctrine and Covenants but all these books without the living oracles and a constant stream of revelation from the Lord would not lead any people into the Celestial Kingdom of God Gospel Truth Discourses and

Writings of President George Q Cannon 2 vols sel Jerreld L Newquist 1974 1 323 Revelation was required to establish this Church Revelation has brought it from its humble beginnings to its present course Revelation has come like flowing living water Continuing revelation will lead it forward to the windup scene But as President J Reuben Clark told us we do not need more or different prophets We need more people with a listening ear in Conference Report Oct 1948 82 Continuing Revelation Ensign Aug 1996 2 4 6 7 [Finding Hope during Times of Personal Trial](#) Marlene Bateman Sullivan,2024-05-11 Finding Hope during Times of Personal Trial by Marlene Bateman Sullivan and Joshua M Sullivan LCSW provides inspiration hope and practical suggestions for navigating the trials of mortality While there is no quick fix for the challenges of living in the latter days this book provides hope and help for those dealing with adversity through inspiring stories quotes by church leaders therapeutic help and powerful scriptures No one likes going through trials but when we view our difficult moments from an eternal perspective we can see our hardships as prime opportunities for our optimal growth Oftentimes trials are the result of a loving Heavenly Father who has laid the stepping stones that lead us back to our heavenly home [O Wondrous Plan](#) J. Peter Baumgarten,2025-07-11 The idea of predestination which seems to have a scriptural basis is actually a Trojan horse While appearing to many to be a gift of grace it is actually full of deceptions and completely inconsistent to the plan of salvation holding that man has no free choice and that God has already selected a favored few of his children for salvation while committing the rest most of mankind to damnation regardless of merit To explore this subject with maximum clarity I will present the doctrine of predestination in sharp relief to the true doctrines of the wondrous plan of salvation for all mankind This presentation includes a detailed description of what the doctrine consists of it s origin and history the scriptural authority referenced to support the doctrine its implications and a discussion of how and why the idea of predestination is inconsistent and at odds with the gospel of Jesus Christ To better introduce this subject I begin the first chapter of this book with a personal experience an experience that heightened my own awareness of the issue [The Three S's to Happiness and Eternal Life](#) Randal Roberts,2015-05-14 If I told you that there are only three things that you needed to do on a daily basis to be happy as you toward eternal salvation in the Kingdom of God would you believe me I believe this idea to be correct and I hope to prove it to you in this book No I hope that you can prove it to yourself As you read what I have to say what others have said and what the scriptures have to say about this subject and as you try for yourself the Three S s to Happiness and Eternal Life you will find that I may just be right [Apocalypse](#) Randal S. Chase,2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed

be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord's anger is poured out upon them see Revelation 6:16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22:20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson
