Narcissistic Leadership Manfred F. R. Kets de Vries, 2025-03-04 Narcissism has become a contemporary pandemic that seems to have been normalized accepted and even celebrated both in society at large and by some of our political and business leaders In this book world renowned psychology and leadership thinker Manfred Kets de Vries explains this modern phenomenon and imagines how you would help the narcissist on the notional couch s couch Consumerism competitive urges individualism and identity politics are examples of how our present day culture has reinforced the self glorification that drives narcissism this cult of the self Although a healthy competitive spirit is part of human nature for narcissistic people it can turn into an all consuming character trait They view the world almost exclusively in terms of winners and losers and to lose is unacceptable Unfortunately social media seems to provide ample opportunities to magnify the competitive or narcissistic disposition present in all of us Starting with an in depth discussion of the ancient myth of Narcissus the various shapes in which narcissism expresses itself are highlighted Subsequently taking individual and group perspectives various strategies for how to manage narcissistic people are explored Using case examples of interpersonal and group approaches to change concepts

such as the working alliance the emotional seesaw the grey rock approach boundary management Socratic questioning the sandwich tactic and the need to be empathic are introduced Also referring to change in a group setting the importance of the psychological dynamics of the group as a whole is presented Narcissistic Leadership offers a unique and original approach to exploring the ramifications of narcissistic leadership and will be of interest to the general reader as well as the key audiences of organizational leaders psychoanalysts coaches psychotherapists sociologists and social psychologists **TikTok Therapy**

Dr. Jonas E. Halberg, 2025-08-11 Discover How a Digital Phenomenon is Reshaping Young Minds In the era of endless scrolling and fleeting moments a new form of storytelling has emerged one that fits neatly into 15 seconds This book delves deep into the fast paced world of short form content revealing how platforms like TikTok aren't just about entertainment but are influencing the very way Generation Z thinks feels and connects Explore the science behind shrinking attention spans and the powerful algorithmic loops that shape self expression emotional health and identity in real time Through engaging analysis and real world examples you'll uncover the complex dynamics of instant validation digital communities and the delicate balance between creativity and mental well being From laughter that serves as emotional medicine to the nuanced ways trends act like mirrors reflecting inner struggles this book invites readers to understand the hidden layers beneath seemingly simple video clips It challenges assumptions and highlights the ethical considerations involved in blending mental health conversations with viral content Whether you're a parent educator or curious observer you'll gain valuable insights on how TikTok's rapid fire content influences learning memory and social interaction Moreover you'll discover strategies for mindful engagement that can transform scrolling from mindless habit to a tool for positive change Step inside the world where culture technology and psychology collide and witness how 15 seconds can define an entire generation's inner landscape a world where digital therapy meets everyday life in surprisingly profound ways **Sexualised Masculinity** John

Mercer, Clarissa Smith, 2025-02-10 Sexualised Masculinity Men's Bodies in 21st Century Media Culture explores evolving portrayals of masculinity in contemporary media focusing on the increasing eroticisation of the male body This book examines how traditional and digital media from films and television to social media platforms and fashion have transformed the ways masculinity is represented and perceived Through a wide array of case studies it highlights how male bodies are now sites of erotic value challenging long standing norms and expectations By exploring both global and local media John Mercer and Clarissa Smith provide insights into the shifting landscape of gender and sexuality offering a critical perspective on how masculinity is consumed performed and commodified in today's world This book is essential for students and scholars in fields such as gender studies media studies cultural studies and social history and is particularly relevant for those interested in understanding the intersections of masculinity media and sexuality in the 21st century **The Hashtag**
