Social Science Reference Sources Tze-chung Li,1990 The second edition of this guide to basic reference sources in the
social sciences contains nearly three times as many entries 2 200 as the earlier edition and also includes several other
notable enhancements In addition to revising and substantially enlarging the chapters on reference sources Li has further
increased the usefulness of this reference volume by adding a chapter on geography and one on business that is distinct from
economies Since the publication of the first edition there have been two obvious developments in information storage and
retrieval the rapid development of online databases and the development of CD ROM Instead of devoting a separate chapter
to these developments the book incorporates online databases CD ROM and other forms of data sources into the text In
addition there is a brief introduction to these developments Although the general deadline for inclusion in the volume was
December 1988 quite a few titles published in 1989 are included **Reference Sources, 1982** Terry Silver,1984-12
