Speaking In Silence Censorship In Vietnam:

Speaking in Silence Bui Thanh Hieu, 2015-08-14 In the holiday paradise Vietnam social media are allowed only to provide and exchange personal information Bloggers and cyberdissidents who dare to question the government's legitimacy or domestic policies are ruthlessly suppressed Political blogger Bui Thanh Hieu 1972 nevertheless uses the Internet to criticize politically hot topics such as Vietnam's territorial claims within China as well as its handling of land disputes with the Catholic Church In response to this Hieu was arrested his computers confiscated The license for his Internet caf in Hanoi was revoked Hieu persisted however his blog was being read by up to 15 000 visitors per day Because of his commitment he was arrested and detained on numerous occasions At the invitation of the city of Weimar Germany he was finally able to leave the country There he finished *Speaking in Silence* In this short story he laments with humour and irony the behaviour of civil servants of the special judicial administrative and technological strike force who control online information A publication of the Eva Tas Foundation The Eva Tas Foundation encourages publication and promotion of texts that are no matter where and no matter how subject to censorship

Social Media and Political Participation in Vietnam Viet Tho Le, Tuong-Minh Ly-Le, Lam Ha, 2024-12-21 This book explores the nexus between social media use among young people and political participation in Vietnam which presents a novel case example for examining whether social media can expand the public sphere to become involved in everyday politics With an estimated 72 million Vietnamese on Facebook the country is the seventh largest user base in the world This social media platform alone has created a virtual public sphere outside of and beyond the scope of the ruling Communist Party and its state owned media outlets The authors analyse the paradox of a complicated balancing act of digital participation in an authoritarian state promoting a new understanding of social media in non Western societies The book generates a considerable body of empirical findings relating to political engagement amongst the youth in the digital age and develops the theory of the public sphere beyond Habermas within this context In its examination of the role of social media in society and in political communication generally and the role of social media in authoritarian states specifically this book is of interest to students and scholars researching social media political communication and media theories It is also relevant to those studying the intersection of media and politics in Southeast Asia and in authoritarian states globally

When Freedom Speaks Lynn Greenky, 2022-05-24 Chronicles the stories that narrate our First Amendment right to speak our minds

The Mind of the Censor and the Eye of the Beholder Robert Corn-Revere, 2021-10-20 Beginning in the nineteenth century with Anthony Comstock America's censor in chief *The Mind of the Censor and the Eye of the Beholder* explores how censors operate and why they wore out their welcome in society at large This book explains how the same tactics were tried and eventually failed in the twentieth century with efforts to censor music comic books television and other forms of popular entertainment The historic examples illustrate not just the mindset and tactics of censors but why they are the ultimate counterculture warriors and why in free societies censors never occupy

the moral high ground This book is for anyone who wants to know more about why freedom of speech is important and how protections for free expression became part of the American identity

Censorship and Student Communication in Online and Offline Settings Oluwole, Joseph O.,2015-09-14 While freedom of speech is a defining characteristic of the United States the First Amendment right is often regulated within certain environments For years schools have attempted to monitor and regulate student communication both within the educational environment and in student use of social media and other online communication tools Censorship and Student Communication in Online and Offline Settings is a comprehensive reference source that addresses the issues surrounding student s right to free speech in on and off campus settings
