Reading Bestsellers Danielle Fuller, DeNel Rehberg Sedo, 2023-04-27

Readers are essential agents in the production of bestsellers but bestsellers are not essential to readers' leisure pursuits. The starting point in this Element is readers' opinions about and their uses of bestselling fiction in English. Readers' relationships with bestsellers bring into view their practices of book selection and their navigation of book recommendation culture. Based on three years of original research, 2019-2021, including a quantitative survey with readers, interviews with social media influencers and qualitative work with international Gen Z readers in a private Instagram chat space, the authors highlight three core actions contemporary multimodal readers make: choosing, connecting and responding in a transmedia era where on and offline media practices co-exist. The contemporary multimodal reader or the MMR3 they argue illustrates the pervasiveness of recommendation culture, reliance on trusted others and an ethic of responsiveness. **The Damned #8**

Cullen Bunn, 2018-02-07 The explosive climax to the *Prodigal Sons* storyline. Eddie thought his plan was simple enough but he couldn't have imagined that even dead there'd be a hit out on his corpse. While he tries to finish what he started in the netherworld, it's up to his brother Morgan to keep his body safe while trying to figure out exactly why they're so hellbent on killing his brother for good and the secret history of their curse. The answers are guaranteed to surprise everyone. **Louie on the Rocks** Meredith O'Brien, 2025-02-04 For fans of Tom Perrotta, Maria Semple and Elinor Lipman, a dark comedy about family dysfunction fueled by bitter Trump-era politics, vodka and a reluctant daughter's guilt. Set against a backdrop of bitterly partisan Facebook feuds and a Trump flag set aflame in a driveway, *Louie on the Rocks* follows the disintegration of the Francis family six months after the premature death of their matriarch Helen. In his wife's absence, retired MAGA patriarch Louie descends into an alcoholic spiral and his liberal queer bookseller daughter Lulu responds in a clumsy attempt to save her father from himself by taking him to court to seize control over his finances. Told by Louie, Lulu and Helen who is watching in horror from the great beyond, this is the tale of a trio with very different takes on the messy events of 2019.
