Myth Retelling Novel Fan Favorite:

Sleepy Hollow as American Myth Steve A. Wiggins, 2025-07-17 Set near Tarrytown New York Washington Irving's short story *The Legend of Sleepy Hollow* has become mythic in American culture. Its repeated reconceptions range from written works such as Christopher Golden and Ford Lytle Gilmore's *Horseman* 2005 and Austin Dragon's *two Hunt for the Foul Murderer of Ichabod Crane* books 2015 to film and TV adaptations such as Etienne Arnaud's *The Legend of Sleepy Hollow* 1912 Edward D Venturini's *The Headless Horseman* 1922 Disney's *The Adventures of Ichabod and Mr Toad* 1949 Tim Burton's *Sleepy Hollow* 1999 and Fox Television's *Sleepy Hollow* 2013-17 that combined Sleepy Hollow's Ichabod Crane with Irving's other creation Rip Van Winkle. This book explores the tale's host of afterlives tracing its path from a gothic comic story of Crane's encounter with the ominous Headless Horseman to Halloween and horror icon and cultural landmark for generations.

Teaching Ethics with Three Philosophical Novels Michael Boylan, 2019-09-04 This book offers a unique method for teaching ethics and social political philosophy by combining primary texts and resource material along with three philosophical novels so that students can apply the abstract principles to real life situations. A sample syllabus and sample assignments are provided. This second edition contains an additional teacher's manual guiding instructors in how to effectively put together a course in ethics using fiction. Students often turn off when confronted with abstract ethical principles alone. This book allows interaction with philosophical novels that provide real life situations that mirrors applying normative principles to lived experience. Students will be drawn into this realism and their engagement with the material will be significantly enhanced. This is an innovative textbook for teachers and students of general philosophy ethics business ethics social and political philosophy as well as students of literature and philosophy. **Childhood and the Classics** Sheila Murnaghan, Deborah H. Roberts, 2018 The dissemination of classical material to children has long been a major form of popularization with far reaching effects. This volume explores the reception of classical antiquity in childhood from the mid nineteenth to the mid twentieth centuries in Britain and the United States focusing on myth and historical fiction in particular.

The Persephone Myth in Young Adult Fiction Cristina Salcedo González, 2024-12-12 Investigating the widespread but understudied presence of the Persephone myth within 21st century young adult literature. Cristina Salcedo González analyses six young adult novels which incorporate a reworking of this ancient Greek myth. Through the identification of mythic themes, mythemes and patterns within these novels, González shows that these works evoke the female life cycle and develop current perceptions of the female maturational experience. As a result, Salcedo González makes an important contribution in establishing the cultural significance of young adult literature in the world of classical reception. These novels, all written by women, also inflect or interpret the myth in ways influenced by their contemporary contexts, specifically the impact of the novels' target readership on the aspects of the myth that are either emphasised (e.g. Persephone's descent into the underworld, her existence there and her re-ascent) or de-emphasised (e.g. the mourning and wanderings of Demeter). This

book makes original methodological contributions through its innovative dual perspective of myth criticism and classical reception to our understanding of the academically neglected genre of young adult literature and the reception of the myth of Persephone As a result Salcedo Gonz lez significantly contributes to establishing the cultural significance of young adult literature within the realm of classical reception Best Books for Children John Thomas Gillespie, Corinne J. Naden, 1994

Lightning Yr3/P4: Short Stories Teacher's Notes Book 2 Pearson Education, 2003-01-06 Lightning provides 32 books with 3 levels of differentiation per book whole texts that provide NLS genre coverage linked themes across fiction non fiction and the wider curriculum focussed teaching support for each book including comprehension and writing activities and a teaching and practice CD that provides opportunities for ICT **Children's Books on Ancient Greek and Roman**

Mythology Antoine Brazouski, Mary J Klatt, 1993-11-23 The classical heritage continues to impact modern culture in many ways This bibliography lists and describes those books on Greek and Roman mythology from the mid 19th century to the present which are useful for introducing children to the classical world The volume begins with a brief history of children's books on classical mythology in the United States A chapter then discusses the various techniques through which classical myths were adapted for children The annotated bibliography follows with each entry including a critical annotation on how closely the work adheres to the original myth Each entry also includes an indication of the grade level of each book Indexes allow the user to locate sources according to title illustrator time period myth and subject Essential Fiction, Stage 3

Pearson Education, Sylvia Karavis, 2004-03 A complete solution for literacy at Key Stage 2 **Technologies of Memory in the Arts** L. Plate, A.
