The book cover features a central illustration of a young woman with long brown hair, wearing a black short-sleeved top and blue jeans. She is holding a sword in her right hand and has a glowing blue energy orb in her left hand. Behind her are large, vibrant blue wings. The background is a dark, moody scene with a city skyline and a bridge. The title 'BLOODLINE DESTINY' is written in a large, stylized, golden-yellow font across the middle. Below the title, the text 'BLOODLINE ACADEMY SERIES' is written in a smaller, golden-yellow font. At the bottom, there is a golden-yellow emblem featuring a shield with the number '8' and wings on either side.

Sequels Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series *American Cities in Post-Apocalyptic Science Fiction* Robert Yeates, 2021-11-15

Visions of the American city in post apocalyptic ruin permeate literary and popular fiction across print visual audio and digital media *American Cities in Post Apocalyptic Science Fiction* explores the prevalence of these representations in American culture drawing from a wide range of primary and critical works from the early twentieth century to today Beginning with science

fiction in literary magazines before taking in radio dramas film video games and expansive transmedia franchises Robert Yeates argues that post apocalyptic representations of the American city are uniquely suited for explorations of contemporary urban issues Examining how the post apocalyptic American city has been repeatedly adapted and repurposed to new and developing media over the last century this book reveals that the content and form of such texts work together to create vivid and immersive fictional spaces in ways that would otherwise not be possible Chapters present media specific analyses of these texts situating them within their historical contexts and the broader history of representations of urban ruins in American fiction Original in its scope and cross media approach *American Cities in Post Apocalyptic Science Fiction* both illuminates little studied texts and provides provocative new readings of familiar works such as *Blade Runner* and *The Walking Dead* placing them within the larger historical context of imaginings of the American city in ruins
