Perspectives on Law and Literature Laura Schmitz-Justen, Laura A. Zander, Hanna Luise Kroll, Laura Wittmann, 2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality and vice versa intersectional feminist perspectives are extremely valuable in the study of law and literature Of course neither feminist nor intersectional approaches are new in and of themselves for decades literary scholarship has studied the impact of particular constellations of gender race and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood However research at the intersection of law literature and feminism has so far been limited and insular Bringing together more than twenty international researchers from related disciplines this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship From reproductive and trans gender justice in law and literature to feminist practices that intervene in judicial discourse this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts The volume s commitment to intersectionality fittingly extends to its very make up the contributors were selected to

represent a diverse range of positions in terms of their gender career stage and nationality

A Hundred Years of Bibliotherapy Siobhan Campbell, Sara Haslam, Edmund G. C. King, 2025-05-16 The First World War gave new and vital impetus to the ancient idea that books could heal This interdisciplinary collection provides a targeted survey of 100 years of historical and contemporary understandings and practices of the book as cure The contributors explore the curative practices of wartime reading how they were developed and institutionalized after the war and the afterlives of these ideas and practices today Divided into three sections the first considers bibliotherapy in World War I It is rooted in the wartime cultures which ensured bibliotherapy became part of the active treatment of soldiers damaged minds and bodies on both sides of the Atlantic after 1914 Parts two and three examine the expanding variety of critical contexts both historical and more modern in which reading and wellbeing continued to intersect The chapters draw on a wide range of source material from trench magazines to autograph books to e novels as well as on data and information drawn from practice based encounters They also provide the basis for further scholarly exploration of for example national traditions and contexts and the inter disciplinary relationships which they inspire A Hundred Years of Bibliotherapy Healing through Books provides the first interdisciplinary dialogue on and account of bibliotherapy addressing both historical and present day modes of engaging with the ostensibly curative power of reading and reading cultures It is an invaluable resource for scholars of literary studies book history and the medical humanities

Our Secret Moments Janisha Boswell, 2025-05-05 Catherine Fables is a planner and a fixer She s lived her life to a set of rules that she s certain will guarantee success When a wrench is thrown into the framework of her steady routine she has to work around it or through it As a journalism major good reviews mean everything to her so when nobody wants to take over the college football newspaper she takes the opportunity by the horns Or the helmet I guess Connor Bailey quarterback for the Drayton Titans can only try to fix the one thing that matters the most to him His team He s confident in most of the ways that matter flirtatious personality convinced he s got the biggest ego You get the idea One thing he s not so good at Talking to people about himself He could talk for hours about football but

when he tries to get down to the deeper stuff he often comes up empty Strangely enough talking to Cat is easier than it is with most people When the two collide in more close contact situations than they'd like will they be able to keep their attraction to one another at bay Or will they blow their cover as they hide their relationship from Nora Cat's best friend roommate and worst of all Connor's sister Tropes Childhood friends to lovers Found family Best friends brother Sneaking around

Next to You Hannah Bonam-Young, 2024-04-11 Lane is in the middle of an identity crisis Her friends are all partnered up her career is leading nowhere and she's just not happy So after a night out celebrating her birthday she makes one hell of an impulse purchase a giant yellow forty eight passenger school bus that she intends to make a home With little to no renovation experience but a large sum of inheritance money Lane enlists the help of her friend Matt mechanic by trade handyman by practice and hottie by nature While their mutual attraction is undeniable Matt's a total family guy with settle down with me tattooed across his forehead whereas Lane is entirely commitment averse Matt and Lane have silently agreed that friendship is the only thing that can ever exist between them So when Matt offers to help her with the bus and in the bedroom Lane's sure it can never work can it

What We Talk About When We Talk About Books Leah

Price, 2019-08-20 Reports of the death of reading are greatly exaggerated Do you worry that you've lost patience for anything longer than a tweet If so you're not alone Digital age pundits warn that as our appetite for books dwindles so too do the virtues in which printed bound objects once trained us the willpower to focus on a sustained argument the curiosity to look beyond the day's news the willingness to be alone The shelves of the world's great libraries though tell a more complicated story Examining the wear and tear on the books that they contain English professor Leah Price finds scant evidence that a golden age of reading ever existed From the dawn of mass literacy to the invention of the paperback most readers already skimmed and multitasked Print era doctors even forbade the very same silent absorption now recommended as a cure for electronic addictions The evidence that books are dying proves even scarcer In encounters with librarians booksellers and activists who are reinventing old ways of reading Price offers fresh hope to bibliophiles and literature lovers alike Winner of the Phi Beta Kappa Christian Gauss Award 2020

Bookshelves in the Age of the COVID-19 Pandemic Corinna

Norrick-Rühl, Shafquat Towheed, 2022-10-05 Bookshelves in the Age of the COVID 19 Pandemic provides the first detailed scholarly investigation of the cultural phenomenon of bookshelves and the social practices around them since the start of the pandemic in March 2020 With a foreword by Lydia Pyne author of Bookshelf 2016 the volume brings together 17 scholars from 6 countries Australia Canada Germany the Netherlands the UK and the USA with expertise in literary studies book history publishing visual arts and pedagogy to critically examine the role of bookshelves during the current pandemic This volume interrogates the complex relationship between the physical book and its digital manifestation via online platforms a relationship brought to widespread public and scholarly attention by the global shift to working from home and the rise of online pedagogy It also goes beyond the digital bookshelf to consider bookselling book accessibility and pandemic reading

habits **Reading Bestsellers** Danielle Fuller, DeNel Rehberg Sedo, 2023-04-27 Readers are essential agents in the production of bestsellers but bestsellers are not essential to readers leisure pursuits The starting point in this Element is readers opinions about and their uses of bestselling fiction in English Readers relationships with bestsellers bring into view their practices of book selection and their navigation of book recommendation culture Based on three years of original research 2019 2021 including a quantitative survey with readers interviews with social media influencers and qualitative work with international Gen Z readers in a private Instagram chat space the authors highlight three core actions contemporary multimodal readers make choosing connecting and responding in a transmedia era where on and offline media practices co exist The contemporary multimodal reader or the MMR3 they argue illustrates the pervasiveness of recommendation culture reliance on trusted others and an ethic of responsiveness Hero Ever After Kait Nolan, 2025-08-22 I never meant to be anyone s heroine Not when I became the acting mayor of my hometown after the flood Not when I kept my law practice afloat out of a booth in my grandmother s diner And definitely not when my secret romantasy novels went viral Nobody in Gibson Hollow knows I m the author behind the pen name And nobody was supposed to kiss me at that book convention least of all my brother s best friend cosplaying the hero he doesn t know I modeled after him Now Ramsey Shaw is back in town Volunteering Smiling at me like I m not on the verge of shattering Like he remembers the kiss Like he sees the truth I ve spent my whole life being strong Quiet In control But for the first time I don t want to be any of those things I just want to be his In a town held together by hope and heart it s the people who show up that make it shine
