Seriality in the Streaming Era Lene Heiselberg, Bo Kampmann Walther, Jakob Isak Nielsen, Rasmus Rønlev, 2025-09-12 Seriality in the Streaming Era explores the dynamic transformation of serialized storytelling in the digital era where platforms like Netflix Disney and Apple Podcasts have redefined how narratives are created consumed and experienced This book examines the profound impact of streaming technologies on both fictional and nonfictional series offering an in depth analysis of how these formats have evolved Drawing from case studies across a wide range of media from television to podcasts and social media platforms like Facebook and Snapchat this book highlights how serialized storytelling has adapted to diverse formats and consumption habits The authors explore key trends such as platform specific narrative structures audience engagement and the blending of genres in both entertainment and journalism With a focus on both the aesthetic and functional shifts in seriality the book offers theoretical insights into the future of storytelling in a media landscape increasingly shaped by data driven strategies and audience participation Furthermore the book tackles how seriality navigates the delicate balance between creativity and commercial demands As a significant contribution the book features interviews with key industry professionals in the field of serial media production Seriality in

the Streaming Era is an essential resource for scholars students and industry professionals as well as anyone curious about the evolving role of serialized narratives in shaping modern media culture

Contemporary Women's Post-Apocalyptic Fiction Susan Watkins, 2020-02-29 This book examines how contemporary women novelists have successfully transformed and rewritten the conventions of post apocalyptic fiction Since the dawn of the new millennium there has been an outpouring of writing that depicts the end of the world as we know it and women writers are no exception to this trend However the book argues that their fiction is distinctive Contemporary women s work in this genre avoids conservatism a nostalgic mourning for the past and the focus on restoring what has been lost aspects key to much male authored apocalyptic fiction Instead contemporary women writers show readers the ways in which patriarchy and neo colonialism are intrinsically implicated in the disasters they envision and offer qualified hope for a new beginning for society culture and literature after an imagined apocalyptic event Exploring science nature and matter the posthuman body the maternal imaginary time narrative and history literature and the word and the post secular the book covers a wide variety of writers and addresses issues of nationality race and ethnicity as well as gender and sexuality

Sense of Wonder Leigh Grossman, 2011-12-20 A survey of the last 100 years of science fiction with representative stories and illuminating essays by the top writers poets and scholars from Edgar Rice Burroughs and Samuel Butler to Robert A Heinlein and and Jack Vance from E E Doc Smith and Clifford D Simak to Ted Chiang and Charles Stross and everyone in between More than one million words of classic fiction and essays

The Transformative Power of Literature and Narrative: Promoting Positive Change Corinna Assmann, Jan Rupp, Christine Schwanecke, 2023-01-16 Narrative plays a central role for individual and collective lives this insight has arguably only grown at a time of multiple social and cultural challenges in the 21st century The present volume aims to actualize and further substantiate the case for literature and narrative taking inspiration from Vera N nning s eminent scholarship over the past decades Engaging with her formative interdisciplinary work the volume seeks to explore potentials of change through the transformative power of literature and narrative to be harnessed by individuals and groups as agents of positive change in today s world The book is located at the intersection of cognitive and cultural narratology and is concerned with the way literature affects individuals how it works at an intersubjective level enabling communication and community and how it furthers social and cultural change

American Cities in Post-Apocalyptic Science Fiction Robert Yeates, 2021-11-15 Visions of the American city in post apocalyptic ruin permeate literary and popular fiction across print visual audio and digital media American Cities in Post Apocalyptic Science Fiction explores the prevalence of these representations in American culture drawing from a wide range of primary and critical works from the early twentieth century to today Beginning with science fiction in literary magazines before taking in radio dramas film video games and expansive transmedia franchises Robert Yeates argues that post apocalyptic representations of the American city are uniquely suited for explorations of contemporary urban issues Examining how the post apocalyptic American city has been

repeatedly adapted and repurposed to new and developing media over the last century this book reveals that the content and form of such texts work together to create vivid and immersive fictional spaces in ways that would otherwise not be possible Chapters present media specific analyses of these texts situating them within their historical contexts and the broader history of representations of urban ruins in American fiction Original in its scope and cross media approach *American Cities in Post Apocalyptic Science Fiction* both illuminates little studied texts and provides provocative new readings of familiar works such as *Blade Runner* and *The Walking Dead* placing them within the larger historical context of imaginings of the American city in ruins

Hype Jon Helgason, Sara Kärrholm, Ann Steiner, 2015-01-01 In the world of books and literature hype is associated with bestsellerism the books that sell the most are read by vast numbers and constantly talked about in media and staff rooms Often it is the success in itself that generates an interest because popularity begets popularity Quite often though a hyped bestseller is met with a skeptic criticism of poor language a badly constructed plot a predictable story line or all three The bestseller phenomenon is sometimes conceived as a threat against real literature Research into the creation reception and meaning of bestsellers is utterly scarce and *Hype Bestsellers and Literary Culture* is an important contribution to the understanding of the literature read by the masses Popular literature plays an important role in the lives of millions of readers offering entertainment social commentary and alternate perspectives on everyday life This volume brings together such diverse issues as the creation of hype the role and the meaning of the author in the present day media landscape changes in the book trade and the relationship between bestsellers and research into them Further articles give an historical overview on postapocalyptic stories desert romances and the role of the authors This book offers new knowledge on a subject that is increasingly popular within university curricula Although the anthology is a work of academic research the texts are of equal interest to general readers

Desiring the Bomb Calum Lister Matheson, 2018-11-13 A timely interdisciplinary study that applies psychoanalysis and the rhetorical tradition of the sublime to examine the cultural aftermath of the Atomic Age Every culture throughout history has obsessed over various end of the world scenarios The dawn of the Atomic Age marked a new twist in this tale For the first time our species became aware of its capacity to deliberately destroy itself Since that time the Bomb has served as an organizing metaphor a symbol of human annihilation a stand in for the unspeakable void of extinction and a discursive construct that challenges the limits of communication itself The parallel fascination with and abhorrence of nuclear weapons has metastasized into a host of other end of the world scenarios from global pandemics and climate change to zombie uprisings and asteroid collisions *Desiring the Bomb* Communication Psychoanalysis and the Atomic Age explores these world ending fantasies through the lens of psychoanalysis to reveal their implications for both contemporary apocalyptic culture and the operations of language itself What accounts for the enduring power of the Bomb as a symbol What does the prospect of annihilation suggest about language and its limits Thoroughly researched and accessibly written this study expands on the theories of Kenneth Burke Jacques Lacan Sigmund Freud and

many others from a variety of disciplines to arrive at some answers to these questions Calum L Matheson undertakes a series of case studies including the Trinity test site nuclear war games urban shelter schemes and contemporary survivalism and argues that contending with the anxieties individual social cultural and political born of the Atomic Age depends on rhetorical conceptions of the real an order of experience that cannot be easily negotiated in language Using aspects of media studies rhetorical theory and psychoanalysis the author deftly engages the topics of Atomic Age survival extinction religion and fantasy along with their enduring cultural legacies to develop an account of the Bomb as a signifier and to explore why some Americans have become fascinated with fantasies of nuclear warfare and narratives of postapocalyptic rebirth
