Social Buzz Myth Retelling Novel:

Into the Closet Victoria Flanagan, 2013-08-21 *Into the Closet* examines the representation of cross dressing in a wide variety of children's fiction ranging from picture books and junior fiction to teen films and novels for young adults. It provides a comprehensive analysis of the different types of cross dressing found in children's narratives raising a number of significant issues relating to the ideological construction of masculinity and femininity in books for younger readers. Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children's literature and film very little critical attention has been paid to this subject to date. *Into the Closet* fills this critical gap. Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel. It also has the ability to deconstruct notions of problematizing the relationship between sex and gender. *Into the Closet* is an important book for academics, teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children's literature and film as a strategy to educate or enculturate children about gender. **The Elementary School Library Collection, Phases 1-2-3**, 1998 The Writers Directory, 2003

New York Magazine, 1997-02-10 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **Bookforum**, 2006 **The Writers Directory 2008** Michelle Kazensky, 2007-06 Features bibliographical, biographical and contact information for living authors worldwide who have at least one English publication. Entries include name, pseudonyms, addresses, citizenship, birth date, specialization, career information and a bibliography.
