Doka,2014-01-14 First published in 1996 This book was produced as a companion to the Hospice Foundation of America s third annual teleconference The Foundation begun in 1982 is a nonprofit organization dedicated to providing leadership in the development of hospice and its philosophy of care for terminally ill people The Foundation conducts educational programs related to hospice sponsors research on ethical questions as well as the economics of health care at the end of life and serves as a philanthropic presence within the national hospice community Close to 90 percent of hospices in the United States reach beyond their own patients and families to become in a variety of ways a community resource on grief and bereavement That is part of the hospice mission and an important service which the Hospice Foundation of America encourages and tries to

support Our annual teleconference is a major part of our effort and it like all of our projects is largely underwritten by contributions from individuals The Hospice Foundation of America is a member of the Combined Federal Campaign through Health Charities of Americas The Hospice Foundation of America is a member of the Combined Federal Campaign through Health Charities of America *The Story of my Soul* Helen P. Slater,2023-02-07 Channelling 6th December 2022 Great Mystery You must know that all I say is true that the End of the World is nigh and all shall be saved for to raise our consciousness is the goal not only of Creator but of all souls who see Yeshua as their Saviour and Mary his Mother as their own I commend this book to the destitute and to the wicked that they may know their Creator and their lives be washed clean with Creator s Light and they shall be as One as others are as One that know God and that know and love themselves For this love is the greatest of all and Divine Love knows those that suffer and wishes to relieve them of their burdens and all those that come to her shall be freed of their burdens to live on Earth in joy love and abundance This book is written from a spiritual perspective that all who come to her will be healed They will feel all their problems lift off they will just disappear Everyone will feel whole and content once more *Trauma Recovery and Empowerment* Maxine Harris,1998-09 This one of a kind guide serves as a rich and essential resource for mental health professionals working with women whose lives have been shattered by the trauma of sexual physical or emotional abuse The book presents a practical step by step guide to implementing a group recovery program for female trauma survivors **Re-Authoring Life Narratives After Trauma: A Holistic Narrative Model of Care** Charles B. Manda,2019-12-12 Re authoring Life Narratives after Trauma is an interdisciplinary specialist resource for traumatic stress researchers practitioners and frontline workers who focus their research and work on communities from diverse religious backgrounds that are confronted with trauma death illness and other existential crises This book aims to argue that the biopsychosocial approach is limited in scope when it comes to reaching a holistic model of assessing and treating individuals and communities that are exposed to trauma The holistic model must integrate an understanding of and respect for the many forms of religion and spirituality that clients might have Pargament 2011 It will not only bring a spiritual perspective into the psychotherapeutic dialogue but it will also assist in dealing with the different demands in pastoral ministry as related to clinical and post traumatic settings The book makes several contributions to scholarship in the disciplines of although not limited to traumatic stress studies pastoral care and counselling psychology and psychiatry Firstly the book brings spirituality into the psychotherapeutic dialogue traditionally religious and spiritual topics have not been a welcome part of the psychotherapeutic dialogue Secondly it underscores the significance of documenting literary narratives as a means of healing trauma writing about our traumas enables us to express things that cannot be conveyed in words and to bring to light what has been suppressed and imagine new possibilities of living meaningfully in a changed world Thirdly it proposes an extension to the five stage model of trauma and recovery coined by Judith Herman
