Speak It Into Existence:

Speaking Things into Existence by Faith Prayer M. Madueke, You pray You fast You work hard Yet your words carry no power You declare blessings but nothing changes You quote Scripture but the situation gets worse You've been told that death and life are in the power of the tongue but your confessions fall flat What if the problem isn't your faith but the way you've been using your mouth Speaking Things into Existence by Faith is your wake up call This book pulls back the curtain on one of the most misused but powerful spiritual principles the ability to shape your world with your words God created everything by speaking You were created in His image That means your words were never meant to be empty Inside you'll discover Why many prayers go unanswered even when prayed in faith The spiritual laws that govern speaking things into existence How negative confessions empower demons to steal your breakthroughs How to pray like it matters and release power through words Practical prophetic steps to align your mouth with God's will You don't have to keep living beneath your spiritual inheritance If you've ever wondered why your declarations produce no results why evil persists even after prayer or why some believers seem to command results and others don't this book is your answer It's time to take back control of your life by taking back control of your tongue Speak light into darkness Speak healing into pain Speak prosperity into lack Speak victory into every battle Click Buy Now and learn how to speak with power authority and results **FREE BONUS** Get my four power-packed book series when you purchase this book Including one of my best sellers **Command the Morning Day and Night Link** at the end of the book
