Speaking Gods Words A Practical Theology Of Preaching:

Speaking God's Words Peter Adam,1996 This training manual for aspiring and active preachers illuminates a vital yet much neglected area with telling illustrations from the past Preaching as the Word of God Sam Chan,2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory The Trouble with "Truth through Personality" Charles W. Fuller,2010-04-05 In an era when the cult of personality has overtaken the task of preaching Charles W Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached By thoroughly evaluating Phillips Brooks s classic truth through personality definition of preaching Fuller brings to light a substantial error that remains in contemporary homiletics namely the tenuous correlation between Christ s incarnation and Christian preaching Ultimately Fuller asserts a sound evangelical framework for preaching on revelational ontological rhetorical and teleological grounds Preachers who desire to construct pulpit practice upon a robust evangelical foundation will benefit from Fuller s contribution Preach the Word Stephen Oliver Stout,2014-12-09 At some time or another every preacher has entered the pulpit wondering What shall I preach This study finds the answer in the preaching charge of 2 Timothy 4 1 5 summarized in the command Preach the Word In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts a Pauline theology of preaching emerges What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ All other activities in his ministry are subservient to this overriding concern and they find meaning only if preaching is primary That being the case this book takes seriously the words of Paul when he encourages future preachers to follow his teaching conduct and purpose 2 Tim 3 10 offering Paul as the model for the Christian preacher As readers will discover anyone who desires to preach biblically should seek to preach like Paul and the way to do that is to Preach the Word **Bases of the Preaching** Marcos A. Toyens,2019-11-23 The contemporary evangelical church faces serious difficulties All their leaders are aware of this and they try different diagnoses and answers for it It occurs to me that the current situation is similar to the tragic fate of Samson to whom the Spirit of God had left him and he did not realize it As solutions are sought in human and pragmatic techniques the patient aggravates their condition The only correct answer is that this vanishing life be breathed in as at the beginning of creation by the Word of God The

spiritual life of the church and of ourselves depends on listening to and responding to the Word of God And for this to happen Scripture must take the central and authoritative position in the life of the church **Word and Power** Gareth W. D. Stewart,2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today **Power and the Pulpit** Gerald Hiestand,Joel Lawrence,2025-10-22 The evangelical tradition places the sermon at the center of church life We build buildings around pulpits and preachers We champion gifted communicators We celebrate effective homiletical techniques But too often these emphases are not the result of deep theological convictions but of the church s adoption of modern visions of communication and success In our day preaching is easily unmoored from its biblical theological and historical anchors Too often it has become a tool of celebrity We have seen pulpits and preaching taken captive by political and pragmatic ideologies The teaching office of the church has sometimes been manipulated to secure and maintain human power The present condition of much preaching in our time compels us to ask What is our theology of preaching Is our vision of the sermon rooted in the miracle of God s word proclaimed or in the desire to entertain Is our preaching a function of a theology of glory or a theology of the cross Reflecting on such questions the essays in this volume seek to chart a path forward for word centered God glorifying preaching *Theology Is for Preaching* Chase R. Kuhn,Paul Grimmond,2021-03-10 Is it right to just preach the text Why do we preach and do theology How do we relate them And how do they relate to God s word Theology Is for Preaching helps preachers with theology and theologians with preaching Though diverse in contexts and disciplines the contributors share a commitment to equipping the saints to rightly handle the word of truth Through essays on foundations methods employing theology for preaching and preaching for theology this volume will equip preachers and theologians to engage deeply with the text of the Bible and communicate its meaning with clarity **Journal of Biblical and Theological Studies, Issue 3.1** Daniel S. Diffey,Ryan A. Brandt,Justin McLendon,2018-04-18 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way

Academic journals are often written by scholars for other scholars. They are technical in nature, assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students. JBTS seeks to provide high level scholarship and research to both scholars and students, which results in original scholarship that is readable and accessible. As an inter denominational journal, JBTS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular, we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy, and Ethics.

Beyond Determinism and Reductionism Mark L. Y. Chan, Roland Chia, 2003. This new volume in ATF Press's Science and Theology series assesses the impact of genetic science and stem cell research on the Christian understanding of the human person.
