

OUR MEMORIES

by Lenore Hetrick

If we remember those who are gone
Then they live again.
They are here once more, they smile and speak,
Just as do living men.

So let us give our thoughts to the brave,
Upon this Memorial Day.
In spiritual fellowship let us speak,
And listen to what they say.

For a soldier who died for his country must know
Much that he could tell,
And if we caught the message it might
Serve us oft and well.

So in our memories let the dead
Linger often and long.
Recollections of that kind live,
And are like a springtime song.

Hoosiers on the Home Front Dawn Bakken, 2022-09-06 Wars are fought on the home front as well as the battlefield. Spouses, family, friends, and communities are called upon to sacrifice and persevere in the face of a changed reality. Hoosiers on the Home Front explores the lives and experiences of ordinary Hoosiers from around Indiana who were left to fight at home during wartimes. Drawn from the rich holdings of the Indiana Magazine of History, a journal of state and midwestern history published since 1905, this collection includes original diaries, letters, and memoirs and research essays all focused on Hoosiers on the home front of the Civil War through the Vietnam War. Readers will meet, among others, Joshua Jones of the 19th Indiana Volunteer Regiment and his wife Celia Attia Porter, a young resident of Corydon, Indiana, writing to her cousin about Morgan's Raid; Civil War and World War I veterans who came into conflict over the Indianapolis 500; and Memorial Day observances. Virginia Mayberry, a wife and mother on the World War II home front, and university students and professors, including antiwar activist Howard Zinn and conservative writer R. Emmett Tyrrell Jr., clashing over the Vietnam War. Hoosiers on the Home Front offers a compelling glimpse of how war impacts everyone, even those who never saw the front line.

Fire Service Leadership/communications, 1983 **The Regenerative American Fabric** Dean Helmick, 2012-10 This story is written for all those who believe America's best days still lie ahead. Follow the Walbert family as successive generations of Americans navigate through triumphs and challenges from the Great Depression through the modern-day global war on terror. As members of the World War II generation, John and Margaret Walbert used the advantages of life in a small Montana town to raise their children and prepare them for the future. Despite John's best efforts, the relationship with his son Billy crumbled. To salvage the deteriorating father-son relationship, the family's minister, Father Alex, used Montana's great outdoors as a leverage point to reconnect father and son. Many of the things Billy learned with his dad, and Father Alex served him well as he connected with his own son Luke during America's fight against global terror. This is an uplifting story about how one family successfully passed America's torch of freedom from one generation to the next. It illustrates how the American fabric is truly unique in its ability to continually regenerate. **The Ultimate Guide to Civil War Collectibles** Pasquale De Marco, 2025-08-13 The American Civil War, a conflict that engulfed the nation from 1861 to 1865, left an indelible mark on the nation's history.
