God as the Mystery of the World Eberhard Jüngel, 2014-11-20 Jüngel sets out to establish a basis for a theology of God the crucified while avoiding the shoals of theism and atheism He warns of the danger rooted in the fact that modernity no longer

dares to think God of talking God to death of silencing God with too much God talk J ngel analyzes what our possibilities are of thinking and speaking God and concludes that theology has to become the narrative of God s humanity This second book in the series helps the reader to gain a more explicit awareness of the contemporary issues J ngel s theology grapples with

Love Beyond 22 Yards Sourabh Mukherjee,2018-05-25 Bollywood and Cricket the two religions that unite Indians across the globe When they come together the attraction is magnetic Through the years heroes on the field have been bowled over by silver screen goddesses Some of them broke conventions and defied societal norms *Love Beyond 22 Yards* is a collection of immortal true love stories between cricketers and Bollywood divas who dared to fight against the world for their love

The Mystery and the World Maria Clara Bingemer,2016-05-10 During the past century an enormous effervescence of events changed the sociopolitical configuration of the world The interpretation of these facts helped further deepen the crisis in which modern thought already found itself and it generated the uncertain and unstable environment in which we live today the so called postmodernity late modernity or hypermodernity In this context one of the most profound impacts is most certainly the one on religion During the twentieth century religion proved not to be banished from the human horizon as the masters of suspicion intended Known as the godless century the twentieth century saw also a resuscitation of the search for the sense of life and spirituality With the crisis of modern reason humankind turned toward consumerism and provisional and light practices The last century represents not only the height of the postmodernization process but also the rescue of the transcendent and absolute even if it is an absolute without face and identity It is in this scenario that religious experiences apparently exiled by modern rationality begin to occur and multiply again Mystical experiences will be then the basis for highlighting recurrent characteristics with universal import But they will show a different configuration than before One will be able to find them not in so called sacred spaces but in very secular ones not so much within institutions but at the borders or even outside them not configured by a specific tradition but in an interface that makes more than one tradition meet and dialogue
