I met my younger self for coffee this morning.

We were both very nervous about the meeting.

We ordered a caramel macchiato, I ordered an iced oat milk latte.

We told her how she can't wait to get out from under our parents' house and how we're going to finally live for ourselves. She told us no longer have to live under their roof, we can live wherever we want and no longer have to please or be afraid of our parents or our grandmothers.

We asked her an obvious question: How do you feel about the past? She said being a child we never could have imagined but she said of being our family hurts a lot some days.

We asked her if we could be gay from the moment? She said yes! And how she was happy 20 years with her. She's better than we ever could've imagined. I asked her if we were if we could be the new and our best beautiful children.

We asked her how we could be a mom and a dad and she said for us. I asked her how we could be a mom and a dad and she said for us.

Hope we meet right soon.

I had coffee with my younger self.

She was right on time, I was 2 minutes early.

She ordered a sugar free red bull, I ordered a matcha with honey, cinnamon, and organic whole milk.

We asked if we just wanted our anxiety, hormonal acne, bloating, fatigue, and hypothyroidism.

I told her we're finally healed, but now we're diagnosed with anxiety.

We asked if we ever move out of our home.

I told her we moved from Chicago, Illinois and currently live in LA in the suburbs.

I hope I get to have coffee with her again soon.
