

This service manual corresponds with the design features of the STIHL 08 S chain saw starting from machine number 4819 800. Important modifications on machines before this number will be referred to so that this manual can be taken as a basis for proper repair work.

Any failure of the saw may have several trouble sources. When trouble shooting we recommend therefore to observe the "Trouble shooting chart" of all chapters and also to use the illustrated spare parts list.

Technical modifications which will become necessary after publication of this repair instruction will be brought to your attention by our "Technical Informations".

This service shop manual as well as all Technical Informations being subject to modifications shall only be handed to personell which is in charge of service and repair.

Handing over or lending this manual to other persons is prohibited.
