**How to Self-Publish Your Book** Dr. Jan Yager, 2019-08-07 A new world has opened to writers who wish to have their words turned into finished books With technological advances in typesetting printing distribution and sales self publishing has become a reality But while converting your writing into a commercially available title may sound relatively easy based upon the claims of some companies that offer this service there are many important considerations you should be aware of before going to press Publishing expert Dr Jan Yager has created an easy to follow guide that will take you from a book s conception and writing to its production and sales Whether your work is fiction or
