Foreign Direct Investment Trends and Statistics - A Summary International Monetary Fund. Statistics Dept.,2003-10-28 NULL

Investment Aftercare Explained Carolina Arriagada Peters,David Coble,Toby X. Li,Brendan Lewis,2021-11-29 This book is the first to systematically map the last step of the foreign investor s journey usually referred to as post investment aftercare or business retention and expansion It provides a wide range of approaches and strategies for host economies to better retain foreign investors encourage follow on expansions and achieve greater local economic embeddedness through a multi stakeholder dialogue leading to improvement of the overall business climate Global foreign direct investments reached US 1 5 trillion in 2019 but this figure reduced by over 42% in 2020 due to the pandemic Against this backdrop retaining established investors became even more important Numerous organisations all over the world are dedicated to attracting foreign companies to invest in their markets Facilitating this effort is a dynamic and competitive industry that involves international organisations supporting capacity building think tanks academia and consultants However once foreign companies decide to invest a critical question arises how can host economies grow and retain these foreign investments Many host governments could do much better as there is very little post investment support for these foreign companies to help them grow their businesses throughout different stages of investment business and economic cycles This is where aftercare comes in In this book the authors include diverse examples from around the world to demonstrate aftercare best practices in action This book is an essential read for all public administration staff related to FDI attraction and promotion practitioners in the private sector and FDI consultants It will also be of great interest to multilateral organisations seeking to organise seminars and training courses for capacity building The book will also benefit researchers academics and postgraduate students of international relations foreign trade and internationalisation For further information see www.aftercareexplained.com

World Investment Report 2024 United Nations Conference on Trade and Development (UNCTAD),2024-06-24 Business and investment facilitation have become central to both private sector development and FDI attraction efforts of governments in

developing countries At the core are information provision transparency of rules and regulations and streamlining of administrative procedures Because these elements are information and procedures based digitalization is central to effective implementation They have thus led to a wave of digital government initiatives including information portals and online single windows Digital government has the potential to address many institutional challenges faced in developing countries strengthening governance reducing costs improving services and combating corruption Because governance and institutional weaknesses are a key obstacle to attracting investment in many developing countries digital government and the promotion of investment for sustainable development are closely intertwined *World Investment Report 2023* United Nations Conference on Trade and Development (UNCTAD),2023-07-05 The World Investment Report 2023 provides the latest trends and prospects for foreign direct investment It documents a challenging year for cross border investment flows looking at greenfield investment in industry project finance in infrastructure and international production activities of the largest multinationals Dedicated sections provide data on international investment in the SDGs and in sustainable energy The Report further reviews recent policy developments including trends in national investment policy measures and international investment agreements It presents an overview of investment policy measures aimed at supporting the energy transition The Report also documents sustainability trends in global capital markets including sustainability linked financial products sustainable stock exchanges institutional investor commitments and financial regulations all with a special focus on the mobilization of funds for the energy transition Finally the theme chapter of the Report discusses ways and means to increase international private sector investment in particular foreign direct investment and international project finance in the energy sector in developing countries taking into account both the energy transition imperative and SDG7 on affordable and reliable access to energy for all Resumen de editor *Global Trends of Modernization in Budgeting and Finance* Ushakov, Denis,2018-11-30 Traditional financial markets are the most important lever of social and economic impact that can effectively regulate markets industries national economies and international economic interactions and form global and deeply integrated economic systems Due to the global spread of financial instability and waves of financial crises the problems of researching effective financial instruments to ensure national competitiveness becomes highly significant *Global Trends of Modernization in Budgeting and Finance* is a pivotal reference source that provides vital research on the impacts of financial globalization in the context of economic digitalization and national financial markets While highlighting topics such as entrepreneurship international business and socio economic development this publication explores modern conditions of rapid technological progress and financial market integration as well as the methods of increasing regional intergovernmental organization efficiency This book is ideally designed for policymakers financial analysts researchers academicians graduate level students business professionals entrepreneurs scholars and managers seeking current research on new challenges and developments in national financial markets *A summary of CIFOR's Strategy 2008 - 2018: Making a*

difference for forests and people Center for International Forestry Research (CIFOR),2008-12-19 **Global Trends in Sustainable Energy Investment 2009** , **Real Estate Investment Trusts in Europe** Ramón Sotelo,Stanley McGreal,2013-12-11 Shortly before of the beginning of the global financial crisis of 2008 REITs were introduced in several European countries based on their success in mature markets like the US Australia and some Asian countries While the history of REITs in Europe has been relatively brief REITs are well on the way to become an industry standard as a real estate investment financial vehicle not only in Europe but throughout the developed world This book provides both academics and decision makers an introduction to the economics of REITs beyond tax transparency an overview of the mature REITs markets and a closer reflection of the development of different REIT structures in Europe including the history regulation and markets of each country ASEAN: Regional Trends in Economic Integration, Export Competitiveness, and Inbound Investment for Selected Industries, Inv. 332-511 ,
