Space Opera Saga Spotlight

Frank Plowright

Space Opera Saga Spotlight:

The Excalibur Knights Saga Omnibus Luke Mitchell, 2022-10-21 This isn't your grandma's King Arthur story. Nate Arturi isn't a knight in shining armor. He sure as hell isn't a king. The last time someone called him heroic it was because he fetched his neighbor's corgi off the roof. But when an ancient alien beacon awakens on Earth, sounding the call to enemies near and far, the Merlin is left with little choice. Ambushed by a hulking alien brute and tricked into accepting a foul-mouthed sword from a homeless wizard, Nate suddenly finds his senior year at Penn State more than a little out of hand. But when an armada of butt-ugly troglodans and exotic gorgon killers starts raining from the sky, one thing becomes inescapably clear: Unless he mans up and gets that damned beacon off of his planet, everything he knows is about to be burned to a crisp. And that's only the beginning of the galaxy's problems. Welcome to the Excalibur Knights Saga, a sprawling Arthurian space opera that follows the rise of Ser Nathaniel Arturi from reluctant and frankly terrible hero to the stuff of legends. If you love action-packed science fiction, snarky AI companions, and radical character growth, then secure your crash couches and prepare for 1,800 pages of epic sci-fi adventure. Included in the set: The Eighth Excalibur Book 1, The Black Knight Book 2, Spoils of War Book 3. Plus the following Excalibur Knights shorts, novelette, and serial: Flight of the Huntress, The Last Good Boy, The Complete Meyerwitz Logs, The Leftovers Parts 1-4. *Space Opera* Catherynne M. Valente, 2018-12-18 2019 HUGO AWARD FINALIST BEST NOVEL. The Hitchhiker's Guide to the Galaxy meets the joy and glamour of Eurovision in bestselling author Catherynne M. Valente's science fiction spectacle where sentient races compete for glory in a galactic musical contest and the stakes are as high as the fate of planet Earth. A century ago, the Sentience Wars tore the galaxy apart and nearly ended the entire concept of intelligent space-faring life. In the aftermath, a curious tradition was invented: something to cheer up everyone who was left and bring the shattered worlds together in the spirit of peace, unity, and understanding. Once every cycle, the great galactic civilizations gather for the Metagalactic Grand Prix: part gladiatorial contest, part beauty pageant, part concert extravaganza, and part continuation of the wars of the past. Species far and wide compete in feats of song, dance, and or whatever facsimile of these can be performed by various creatures who may or may not possess, in the traditional sense, feet, mouths, larynxes, or faces. And if a new species should wish to be counted among the high and the mighty, if a new planet has produced some savage group of animals, machines, or algae that claim to be against all odds, sentient. Well, then they will have to compete. And if they fail, sudden extermination for their entire species. This year, though, humankind has discovered the enormous universe. And while they expected to discover a grand drama of diplomacy, gunships, wormholes, and stoic councils of aliens, they have instead found glitter lipstick and electric guitars. Mankind will not get to fight for its destiny; they must sing. Decibel Jones and the Absolute Zeroes have been chosen to represent their planet on the greatest stage in the galaxy. And the fate of Earth lies in their ability to rock. *The Herem Saga #1 (Mabel's War)* Davide Sassoli, 2021-05-26 Milky Way, thirteenth millennium of the stellar age. Human beings have long since left the surface of the Mother Planet Earth.

and so much time has passed they barely remember it They have established themselves as the predominant form of life among the stars and all the while they expand colonize and multiply undisturbed At times they are at peace other times they quarrel with one another in an endless strife of meaningless skirmishes But one day the balance is broken A terrible alien race relentless and apparently unstoppable now threatens to upset this delicate order and wash away over twelve millennia of progress and expansion People in the Milky Way call them Herem the Anathem BOOK ONE MABEL S WAR Planet Teodus Sol Cluster Mabel is getting ready to join his older brothers in their small agricultural enterprise but when a terrible new enemy starts terrorizing the galaxy he decides to give it all up to join the army He will endure years of hard training during which he will meet Sig Yowa Alanna Bera Mina and many other young recruits eager for adventure This will mark the beginning of his military career as well as the start of his adventures and of the mysteries he will find himself entangled in starting from his first encounter on Planet Vidalo III with the terrible alien invaders Mabel s war revives the atmospheres of the great classics It is the first piece of a much greater saga as well as a journey through the infinite reaches of space and into the one great mystery of the Universe the Human soul with its fears anguishes and hopes *Behind the Scenes of Star Wars: How the Original Film Changed Cinema Forever* Cara Dean, Step into the galaxy of Behind the Scenes of Star Wars How the Original Film Changed Cinema Forever and uncover the secrets that revolutionized the film industry This book takes you on an extraordinary journey exploring the iconic 1977 film that redefined moviemaking and captivated audiences worldwide From the visionary mind of George Lucas to the innovative techniques and groundbreaking special effects this book provides an in depth analysis of how Star Wars pushed the boundaries of filmmaking Witness the genesis of the beloved characters the development of the epic storyline and the technical marvels that brought the distant galaxy to life Delve into the production process from pre production and casting to post production and the groundbreaking sound design Discover the challenges and triumphs faced by the cast and crew and the impact their collaboration had on the final masterpiece This book is a must have for Star Wars enthusiasts film historians and anyone interested in the transformative power of cinema
