

The Narcotics Anonymous Step Working Guide

This is NA Fellowship-approved literature

Preface

The idea for this piece of literature came from the Narcotics Anonymous Fellowship itself. Beginning in the early 1980s, we began receiving Twelve Step guides and step worksheets along with requests that we develop a standard set of guides for the NA Fellowship to use in working through the Twelve Steps. Fellowship demand propelled this project up the NA World Service Conference Literature Committee's priority wordlists, and finally resulted in the World Service Conference directing the WSCLC to go ahead with the project at WSC'95.

The working title for this project for many years was the "Step Writing Guides." However, we recognized that the word "writing" imposed a limitation on members who may be unable to write or may choose not to use writing as the means for working the Twelve Steps. Therefore, the title became the *Step Working Guides*.

Each chapter includes both narrative and questions. The narrative is meant to provoke thought about the questions, but is not meant to be comprehensive. There is a difference in "voice" between the narrative and the questions. The narrative is written in the "we" voice in order to promote unity about what we all have in common: our addiction and recovery. The questions are written in the individual "I" voice so that each member using these guides can personalize the work. The *Step Working Guides* is a companion piece to *It Works: How and Why*. Thorough discussion of each of the Twelve Steps is contained in that work. Additional information about NA recovery can be found in other NA literature. If we find that any of the terms used in this book are
