

The background of the cover features a dark, high-contrast image of a violin, shown from a side profile. The body of the violin is a deep, dark color, while the f-hole and the bridge are highlighted in a lighter, metallic or silver tone. Overlaid on the violin and the dark background are several thin, white geometric lines. These lines form various shapes, including circles, arcs, and straight lines, some of which intersect to create a grid-like pattern. The overall aesthetic is modern and mathematical, reflecting the subject of the book, Calculus.
