Handbook of Research on Effective Advertising Strategies in the Social Media Age Ta?k?ran, Nurdan Öncel, 2015-02-28. Social media pervades people's awareness and everyday lives while also influencing societal and cultural patterns. In response to the social media age, advertising agents are creating new strategies that best suit changing consumer relationships. The Handbook of Research on Effective Advertising Strategies in the Social Media Age focuses on the radically evolving field of advertising within the new media environment. Covering new strategies, structural transformation of media, and changing advertising ethics, this book is a timely publication for policymakers, government officials, academicians, researchers, and school practitioners interested in furthering their research exposure and analyzing the rapidly evolving advertising sector and its reflection on social media.

Handbook of Research on Consumption, Media, and Popular Culture in the Global Age Ozgen, Ozlen, 2019-05-15. The mass production and diversification of media have accelerated the development of popular culture. This has started a new trend in consumerism of desiring new consumption objects and devaluing those consumption objects once acquired, thus creating a constant demand for new items. Pop culture now canalizes consumerism both with advertising and the marketing of consumerist lifestyles which are disseminated in the mass media. The Handbook of Research on Consumption Media and Popular Culture in the Global Age discusses interdisciplinary perspectives on media influence and consumer impacts in a globalizing world due to modern communication technology. Featuring research on topics such as consumer culture, communication ethics, and social media, this book is ideally designed for managers, marketers, researchers, academicians, and students.

A Global Perspective of Social Justice Leadership for School Principals Pamela S. Angelle, 2017-05-01. Within education, there have been some notable attempts to frame social justice in ways that can help to explain and understand the practices of those working in schools, especially school leaders. The research contained in this book seeks to enhance our understanding of school leaders' actions as they work to promote socially just practices and/or outcomes in a range of different national contexts. The unique nature of this research is that studies took place in numerous schools across the globe in a variety of contexts yet utilized the same research protocols. This has allowed the researchers to draw conclusions at an international level about social justice decision making, the supports and barriers brought on school leaders by national policy and mandates, and the essential nature of context in the work of social justice leadership. The audience will include scholars on a global scale given that cases

in the book include authors and principals from around the world The book can also serve as a text for leadership preparation courses as well as courses in social justice research design and qualitative research methodologies Courses in human relations and communication can use the content as examples of the negotiations and challenges of teamwork in international settings A primary audience for the book is system school level leaders in contexts and communities throughout the world for understanding comparative leadership and social justice decision making Current principals will find the cases useful as reflexive tools for their own work Educational leaders educational reformers and policy makers will benefit from this book as they seek to understand the impact of their work and its influence on promoting equity in schools across the globe
