The Peace In Between Astri Suhrke, Mats

Berdal, 2013-03 This volume examines the causes and purposes of post conflict violence The end of a war is generally expected to be followed by an end to collective violence as the term post conflict that came into general usage in the 1990s signifies In reality however various forms of deadly violence continue and sometimes even increase after the big guns have been silenced and a peace agreement signed Explanations for this and other kinds of violence fall roughly into two broad categories those that stress the legacies of the war and those that focus on the conditions of the peace There are significant gaps in the literature most importantly arising from the common premise that there is one predominant type of post war situation This post war state is often endowed with certain generic features that predispose it towards violence such as a weak state criminal elements generated by the war time economy demobilized but not demilitarized or reintegrated ex combatants impunity and rapid liberalization The premise of this volume differs It argues that features which constrain or encourage violence stack up in ways to create distinct and different types of post war environments Critical factors that shape the post war environment in this respect lie in the war to peace transition itself above all the outcome of the war in terms of military and political power and its relationship to social hierarchies of power normative understandings of the post war order and the international context This book will of much interest to students of war and conflict studies peacebuilding and IR Security Studies in general **Political Economy of Statebuilding** Mats Berdal, 2017-07-05 This volume examines and evaluates the impact of international statebuilding interventions on the political economy of post conflict countries over the past 20 years While statebuilding today is typically discussed in the context of peacebuilding and stabilisation operations the current phase of interest in external interventions to re build and strengthen governmental institutions can be traced back to the good governance policies of the International Financial Institutions IFIs in the early 1990s These sought political changes and improvements in the quality of governance in countries that were subject to or were seeking support under IFI designed structural adjustment programmes The focus of this book is specifically on state building efforts in conflict affected countries countries that are emerging or have recently emerged from periods of war and violent conflict The interventions covered in the present volume fall into three broad and overlapping categories International administrations and transformative occupations East Timor Iraq and Kosovo Complex peace operations Afghanistan Burundi Haiti and Sudan Governance and state building programmes conducted in the context of economic assistance Georgia and Macedonia This book will be of much interest to students of statebuilding humanitarian intervention post conflict reconstruction political economy international organisations and IR Security Studies in general The Black Hole This book is a sequel to The Devil's Double. Oriente Medio **Iraq - From War to a New Authoritarianism** Toby Dodge, 2017-10-03 Iraq recovered its full sovereignty at the end of 2011 with the departure of all US military forces The 2003 invasion was undertaken to dismantle a regime that had long threatened its own population and regional peace as well as to establish a stable democratic state in the heart of the Middle East This Adelphi looks at the legacy of that intervention and subsequent state building efforts It analyses the evolution of the insurgency the descent into full scale civil war and the implementation of the surge as a counterinsurgency strategy It goes on to examine US and Iraqi efforts to reconstruct the states military and civilian capacity By developing a clear understanding of the current situation in Iraq this book seeks to answer three questions that are central to the countrys future Will it continue to suffer high levels of violence or even slide back into a vicious civil war Will Iraq continue on a democratic path as exemplified by the three competitive national elections held since 2005 And does the new Iraq pose a threat to its neighbours Iraq's Past, Present and Future United States. Congress. House. Committee on Armed Services, 2006 America, The Foreigner's Last Frontier John Smith, 2009-06-19 What is happening to the United States of America Better yet what needs to be done to make it better The bold words of John Smith ring out the truth loud and clear Real Americans I hope you enjoy reading America The Foreigner's Last Frontier **What God Told Me to Tell You** Richard Hayes, 2005-02 What am I supposed to do with my life Little did Rich Hayes imagine that on a beautiful October afternoon in 2001 he'd get the answer to the question he'd been asking most of his life Along with that answer would come an explanation of why things are as they are in the world today What God Told Me To Tell You contains the message he was given Comprised of only three simple sentences this message carries profound implications If accepted and understood by each of us it has the potential to change our lives and the world In a world torn by religious differences with violence and atrocities being touted as the Will of God never has there been a greater need for this message to be heard It is what God wants you to know **What's Next in the War on Terrorism?** United States. Congress. Senate. Committee on Foreign Relations, 2002 *Destiny in the Ashes* William W. Johnstone, 2001-09-01 Ben Raines and his army won a war on two fronts bringing law peace and prosperity to the Southern United States of America But SUSA's northern northern neighbor and erstwhile enemy the United States is still in chaos And when a ferocious invader attacks the soft and crippled nation Raines has no choice but to act Courageous warlord Abdullah El Farrar has risen up from the humiliated regions of the oil rich Near East unleashing a stunning attack against the once proud northern United States No One in the Southern United States is surprised that USA cannot defend its own land But with northern citizens defecting by thousands to El Farrar's forces Raines can see the handwriting on the wall his brave armies must go to war to save their enemy from itself **Buckminster Holds Court** K. B. Williamson, 2012-02 Twenty something Buckminster or Buck as he is known to most lives a pretty typical life in the house he shares with seven others near the University of Ottawa Buck thinks his biggest challenge is grappling with the annoyances of living with several different personalities but little does he know that danger betrayal and death lurks in the

shadows Life is about to become anything but typical for Buck As the students approach the fateful week leading up to the G 8 and G 20 summits held in Ontario in June 2010 they are clueless that there has been an enormous political and social change within the Western and Canadian worlds in response to perceived societal threats Even worse one of Buck s roommates is fixated on becoming the best stalker and cross terrain ghost in the world with one lofty goal to intimidate and scare a few unlucky souls As the week progresses Buck and his roommates soon realize that their insulated lives are about to be exposed in ways they never could have imagined In this riveting thriller it is up to the residents of 395 Nelson Street to escape from a dangerous web of deceit before it is too late *Don Rumsfeld and Dick Cheney in Hell* Fred Stopsky,2007

Readings in European Security Michael Emerson,2009 Intends to serve as a prism through which the EU s external relations and security can be assessed with contributions from its US and Russian partners This book contains working papers on a variety of topical strategic issues including the EU s role in the Middle East conflict missile defense recognition of Kosovo and more
