But when an abandoned pit bull puppy leads Lily and Smooshie to the corpse of a local Lothario, she is once again drawn into the seedier side of small town living. Even though she's warned off the case by the local sheriff, Lily is determined to find the killer. It doesn't help matters that more nasty notes are showing up around town, making Lily wonder if the two things are connected. Lily and Smooshie need to crack the case of the dead Don Juan while navigating what it means to live in an all-human town before the secrets of the people she cares for are exposed.

Then she learned the truth she had forgotten since her early childhood: that Vikings still exist and her grandmother serves as their spiritual leader and protector. Now Ingrid must leave the modern world behind for a time and immerse herself in this forgotten world. She must know if she has what it takes to serve the people of Villmark as her grandmother serves them. Or if her destiny lies instead among her friends in the modern world of Runde, Minnesota. No easy decision. But at least her magical cat Mjolner remains always by her side. Together they can face anything either world can throw at them. Even if it's murder.
