love and death It is also a story of found love and life friendship and trust This is a story based individual events in many ways on my experiences and those of others I have served with while other parts of the story are just plain and simple fabrication The characters are composites of many people and the events are based on experiences and war stories of many people but have been changed in some ways This is a story of how it might have been not how it really was or is now This is not a history lesson it is a story and nothing more The language in this work is at times rough as it should be Real life is not G rated I started this book as a retelling of my own experience in Vietnam and after I returned but it quickly turned into a long technical detail filled and boring history which I promptly deleted Instead I took events and stories as separate entities and worked them into a piece of fiction a story of how it could have been or perhaps how I would have liked it to have been If you want a history lesson read Stanley Karnows Vietnam A History If you want to laugh cry and be entertained then give Nice Day for Flyin a read **Catalog of Sears, Roebuck and Company** Sears, Roebuck and Company,1967 American Rifleman ,1961 The Redwood Stumper 2010 Paul Feist,2012-07-21 The Newsletter of the Redwood Gun Club in Humboldt County California A newsletter dedicated to sharing the activities interests and knowledge of the membership of the club with our community This is every issue of the Redwood Stumper from 2010 **Jane's Guns Recognition Guide** Ian V.
