

# Program SLOs

- June Miyasaki developed the SLOs and assessment measures for four of our A.A. degree programs: French, German, Italian, and Spanish.
  - “Demonstrate effective skills in the four major areas of language study: reading, writing, speaking, listening comprehension.” (This first SLO is a constant.)
  - “Demonstrate knowledge of the global society, and the role of France and francophone nations and of the French language and culture in the contemporary world.”  
(This second SLO has minor changes for each degree program. For example, for the A.A. in Spanish, the SLO reads: “Demonstrate knowledge of the global society, and the role of Spanish-speaking nations and of the Spanish language and Hispanic cultures in the contemporary world.”)
- The template for these A.A. program SLOs was modified to develop the last set of SLOs for the A.A. degree in Foreign Languages.
