Goodyear, Andrea Bundon, 2025-11-11 This is the first book to offer in depth analysis of the use of digital technologies in sport exercise and physical education their significance for the relationship between sport exercise and wider society and their impact on research in sport exercise and physical education Featuring the work of leading researchers from around the world and drawing on multidisciplinary perspectives including from sociology pedagogy psychology and related disciplines with a strong focus on qualitative social scientific approaches this book examines how individuals experience and engage with technology in the context of their physical practices Exploring key concepts and methodologies as well looking at how digital technologies are used in practice this book covers diverse topics including social media wearables apps video software AI and in the context of teaching coaching learning athlete safeguarding and more This book is essential reading for any student researcher teacher instructor or coach with an interest in sport exercise physical education psychology health and the relationships between technology and society *Literature & Pedagogy* Anthony Cordingley, 2025-04-01 Building upon the approach to reading literature pioneered by Bruce Gardiner at the University of Sydney for over four decades *Literature and Pedagogy* is devoted to the way that texts literary texts in particular seek to instruct us Bruce Gardiner has inspired generations of teachers and scholars in the field of literary criticism He stands for a scholarly ethos which is at risk of disappearing His distinctive academic career which was entirely devoted to research led teaching invites us to think about the relationships between literary

studies and pedagogy It also invites us to ask what role a unique pedagogical style plays in the evolution of a discipline How does intergenerational transmission between teacher and student play out both within and beyond disciplinary boundaries This collection explores these questions while also documenting Gardiner s methods of scholarly as much as professional resistance to the neo liberalisation and neo conservatism of contemporary academic culture Contributors draw from inspiring encounters with him to reflect upon the rhetoric and motifs of pedagogy within literary works They put Gardiner s mode of reading into practice by offering new interpretations of pedagogical mechanisms employed within important literary works from the seventeenth century to the present and of cultural phenomena like colonial interpretations of the Australian lyrebird s song The volume also offers pieces inspired by Gardiner such as poetry art translation and creative non fiction as well as three unpublished lectures by Gardiner himself Techniques and methodologies of literary education are traditionally believed to offer students the keys with which to unlock the secrets of texts and foster their appreciation Literature and Pedagogy offers a new perspective showing teachers and students of both education and literature how literary works present their own methods for reflecting critically upon how and why we learn read and teach

**Antisemitism in Football** Emma Poulton, 2025-03-14 This book investigates the nature and prevalence of expressions of antisemitism within the context of football in Europe and beyond as well as attempts to challenge and combat this problematic phenomenon Drawing on empirical research the book presents a series of case studies of countries in which both football and antisemitism have been prominent including England Italy Germany Holland Poland Argentina and Hungary Each chapter explains the historical context of why antisemitism prevails in their country and their country s football culture considers those football clubs with a Jewish heritage and identity which tend to be the catalyst for antisemitic abuse and critically examines the measures being taken in that country to tackle antisemitism in football by organisations including governing bodies campaign groups supporter groups and football clubs themselves No other book has looked as deeply into this highly topical issue which continues to blight contemporary football Antisemitism in Football is important reading for anybody with an interest in football fan cultures the sociology of sport Jewish studies antisemitism and other forms of racism and discrimination in society
