died opens the door to a world she'd thought only existed in fiction. Sure, this world includes enemies that want her dead, but it's not all doom and gloom. As Genny starts to embrace her legacy, she and JP grow closer. She's a slayer; JP insists vampires are evil. But when she strikes up an unlikely friendship with Quinn, a vampire who risked his own life to save her, she comes to understand that not everything or everyone is how it seems.
