Creative Therapy for Children with Autism, ADD, and Asperger's Janet Tubbs, 2012-05-10 It is no easy task to find a teaching technique that can truly change the course of a child with special needs Thirty years ago when Janet Tubbs began working with children who had low self esteem and behavioral problems she developed a successful program using art music and movement Believing that unconventional children required unconventional therapies she then took her program one step further she applied it to children with autism ADD ADHD and Asperger s Syndrome Her innovative methods and strategies not only worked but they actually defied the experts In this new book Janet Tubbs has put together a powerful teaching tool to help parents therapists and teachers work with their children Creative Therapy for Children with Autism ADD and Asperger s

is divided into two parts Part One provides an overview of Autism Spectrum Disorders and introduces and explains Janet's novel approach to teaching Her goal is to balance the child's body, mind, and spirit through proven techniques Part Two provides a wide variety of exercises, activities, and games that are both fun and effective Each is designed to reduce hyperactivity, increase and prolong focus, decrease anger, develop fine motor skills, or improve social and verbal skills All are part of a program created to help these children relate to their environment without fear, anxiety, or discomfort A child may appear stubborn and difficult, but that doesn't mean that the child isn't intelligent, curious, or creative With the right treatment, such a child can be reached, taught, and set on the road to improvement The lessons provided in this book may be just what you and your child have been waiting for

Songs in Their Heads Patricia Shehan Campbell, 2010 *Songs in Their Heads* is a vivid and engaging book that bridges the disciplines of music education, ethnomusicology, and folklore This revised and expanded edition includes additional case studies, updated illustrative material, and a new section exploring the relationship between children's musical practices and current technological advances Designed as a text or supplemental text for a variety of music education methods courses, as well as a reference for music specialists and classroom teachers, this book can also help parents understand and enhance their own children's music making

Making Time for Making Music Amy Nathan, 2018 Are you a former music maker who yearns to return to music but aren't sure where to begin Or are you a person who never played music as a child but you are now curious about trying You're not alone Many adults who used to play an instrument haven't touched it in years because either they can't find the time to practice, are afraid their skills are too rusty, or are unsure of what kind of group they could join Others are afraid to sing or start playing an instrument because they received negative feedback from childhood experiences Performing, practicing, and composing music may seem like unattainable goals with insurmountable obstacles for busy adults with non-musical careers *Making Time for Making Music* can help adults find ways to make music part of their lives The first book of its kind, it is filled with real-life success stories from more than 350 adults who manage to fit music making into their jam-packed schedules They polished rusty skills, found musical groups to join, and are having a great time Their testimonies prove that you are never too old to learn to make music, and that there are numerous musical paths to explore Featuring advice from dozens of music educators, health care professionals, and music researchers who point out that making music can even be good for your health, as well as an extensive resource list of websites, organizations, and summer programs, this book offers inspiration and tried-and-true strategies for anyone who wishes to return to music making or begin as an adult

First Division Melody Instrument Method Fred Weber, 1999-11-26 A widely used and very successful method It uses a melodic approach to pre-instrument teaching and includes suggested activities for general classroom use

The Music Parents' Survival Guide Amy Nathan, 2014 This book of parent-to-parent advice aims to encourage support and bolster the morale of one of music's most important back-up sections: music parents Within these pages, more than 150 veteran music parents contribute their

experiences reflections warnings and helpful suggestions for how to walk the music parenting tightrope how to be supportive but not overbearing and how to encourage excellence without becoming bogged down in frustration Among those offering advice are the parents of several top musicians including the mother of violinist Joshua Bell the father of trumpeter Wynton Marsalis the parents of cellist Alisa Weilerstein and those of violinist Anne Akiko Meyers The book also features advice from music educators and more than forty professional musicians including Paula Robison Sarah Chang Anthony McGill Jennifer Koh Jonathan Biss Toyin Spellman Diaz Marin Alsop Christian McBride Miguel Zenón Stephanie Blythe Lawrence Brownlee and Kelli O'Hara The topics they discuss span a wide range of issues faced by the parents of both instrumentalists and singers from how to get started to encouraging effective practice habits to how to weather the rough spots cope with the cost of music training deal with college and career concerns and help young musicians discover the role that music can play in their lives The parents who speak here reach a unanimous and overwhelming conclusion that music parenting is well worth the effort and the experiences that come with it everything from flying to New York on the weekends to searching a flute convention for the perfect instrument enrich family life with a unique joy in music
