The Postcolonial Short Story Maggie Awadalla, Paul March-Russell, 2012-10-23 This book puts the short story at the heart of contemporary postcolonial studies and questions what postcolonial literary criticism may be Focusing on short fiction between 1975 and today the period in which critical theory came to determine postcolonial studies it argues for a sophisticated critique exemplified by the ambiguity of the form

Myth in the Modern Novel Liisa Steinby, 2023-03-20 Myth in the Modern Novel Imagining the Absolute posits a twofold thesis First although Modernity is regarded as an era dominated by science and rational thought it has in fact not relinquished the hold of myth a more primitive form of thought which is difficult to reconcile with modern rationality Second some of the most important statements as to the reconcilability of myth and Modernity are found in the work of certain prominent novelists This book offers a close examination of the work of eleven writers from the late eighteenth century to the beginning of the twenty first representing German French American Czech and Swedish literature The analyses of individual novels reveal a variety of intriguing views of myth in Modernity and offer an insight into the modernizing transformations myth has undergone when applied in the modern novel The study shows the presence of the subconscious the mythic layer in modern western culture and how this has been dealt with in novelistic literature

Myth and Fairy Tale in Contemporary Fiction Alexandra Cheira, 2023-03-28 This volume provides more sustained critical attention on the use of myth and fairy tales in contemporary fiction both stand alone tales and those which are embedded in the wider frame of a novel or novella In this light the book examines contemporary retellings of myths and fairy tales in a productive dialogue with tradition as an extended appreciation of this productive creative and theoretical dialogue The individual chapters evince a robust variety of conceptions and approaches all thoroughly observant of the nature and workings of the relationship between story and genre and theoretically informed by innovative critical approaches Hence the volume demonstrates the undeniable importance of myth and fairy tales in contemporary fiction suggesting questions for future consideration and hopefully pointing towards new texts and new critical inquiries

Retelling Stories, Framing Culture John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to *Wind in the Willows* The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths

are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included **The Chronology of American Literature** Daniel S. Bhima Soma: Cultural Investigations into Modern Karnataka Srikar Raghavan, CULTURAL ENQUIRY AND LITERARY EXPLORATION A HISTORY OF POLITICAL ACTIVISM AND OF SOCIAL AND CULTURAL MOVEMENTS THIS IS A COMPLEX NUANCED AND OPEN MINDED INVESTIGATION INTO MODERN KARNATAKA Karnataka is one of India's most diverse states as rich in literary and cultural traditions as it is in democratic struggles and political churns The twentieth

century witnessed the birth of a modern Kannada renaissance accompanied by the emergence of a powerful social conscience. One young man's desire to explore this vibrant historical backyard born out of a feeling of being linguistically unmoored compounded by worries over an increasingly opaque political direction leads to an ambitious and audacious attempt to unpack the region's social and cultural histories. Rama Bhima Soma is an enterprise of translation and rediscovery packed with stories and conversations. The life and times of legends like Kuvempu and Shivaram Karanth, the fall of Socialism and the rise of the Hindu Right, the intellectual ruminations of U R Ananthamurthy, D R Nagaraj and M M Kalburgi, the wildly popular television serials of T N Seetharam and the community centred one woman theatre shows of Du Saraswathi, a brief history of Naxalism in Karnataka and glimpses of other complicated legacies of the 1970s. Left the book explores a dizzyingly wide sweep of Karnataka's contemporary history seeking above all to forge new connections and begin fresh conversations. Marshalling a diverse range of literary and scholarly resources framed through biographical sketches and immersive reportage, Srikar Raghavan's genre bending work of narrative non fiction reanimates some pivotal moments in the making of modern Karnataka. The result is a sizzling dish of ideas rescued from the deep freeze of historical amnesia.
