Leitch, 2023-04-21 The essays in this volume seek to expose the scandals of adaptation Some of them focus on specific adaptations that have been considered scandalous because they portray characters acting in ways that give scandal because they are thought to betray the values enshrined in the texts they adapt because their composition or reception raises

scandalous possibilities those adapted texts had repressed or because they challenge their audiences in ways those texts had never thought to do Others consider more general questions arising from the proposition that all adaptation is a scandalous practice that confronts audiences with provocative questions about bowdlerizing ethics censorship contagion screenwriting and history The collection offers a challenge to the continued marginalization of adaptations and adaptation studies and an invitation to change their position by embracing rather than downplaying their ability to scandalize the institutions they affront

Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero's masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other
