Love in Wisper, Wyoming: A Small-Town Romance Boxset (Wisper Dreams Books 1 - 3) Greta Rose West, 2024-10-18 Love in Wisper Wyoming is a boxset of the first three books in the Wisper Dreams series by internationally bestselling western romance author Greta Rose West. Come on over to the best small town in all of Wyoming and find the love you've been looking for.

Rivers Between Us Book One Sheriff Carey Michaels dreams of a life he can't seem to find since his ex-best friend took off after high school chasing impossible dreams of her own. But now that Frannie Morris and her daughter Grace are back in town, dreams seem possible again. Attraction blooms to life. Let's be honest: it never went away, and Fran regrets walking away from Carey when they were eighteen. But when she came home, Fran brought her troubles with her. They lurk around every dark corner. She and Grace aren't safe, so Grace takes matters into her own hands, and what's a ten-year-old girl to do when trouble catches up to them? Text the sheriff, of course. There's bound to be safety and some second chances tucked into all those vest pockets somewhere.

Storms Inside Us Book Two Brady Douglas gave up his fast-paced law career to return to his hometown to help care for his dad after he was diagnosed with ALS. He's making the best of things, but when his reclusive billionaire client Theo Burroughs texts him out of the blue, Brady can't but help but notice how sexy Theo is. Three years and countless bottles of vodka haven't fixed the wrongs in Theo's life. He had it all: money, respect, and a life he thought he could be proud of, but when he lost his parents, he lost his compass. But now he's sick and tired of being sick and tired. When he reaches out to his local lawyer for help to open a community center, heat flares between Brady and Theo, but both men have demons they need to deal with and storms to weather. It's not the right time for either of them, but when has time ever mattered when it comes to love?

Mountains Divide Us Book Three Frank Sims looks damn good in his deputy's uniform, all thick thighs and biceps, but like Samantha Russo, she's going to let the silver fox derail her plans for a quiet life as the new town librarian. No way. Living with infertility is hard enough, mourning something that will never be, and watching all her friends realize their own dreams of family. Frank's getting up in age; he's only a year away from hitting the big five-oh. All he's ever wanted was a family to come home to, and when the young sexy librarian falls into his arms, literally, he can picture it with her. Can Sam let her perceived inadequacies go? If she can, she'll see that family comes in all shapes and sizes, and Frank Sims might just be her perfect fit.

Love in Wisper Wyoming is a bundle of the first three books in the Wisper Dreams series. There's dashes of suspense, plot twists you won't see coming, small town gossip, and plenty of steam. Check trigger warnings before each story, but there's also heartwarming, found family, good ol' down home happily ever afters, and lots of humor too. Enjoy! If you'd like to start at the very beginning of the Wisper Wyoming saga, go back to the Cowboys of Cade Ranch series in **Love at Cade Ranch: A Western Romance Boxset**.

Filterworld Kyle Chayka, 2025-01-21 From New Yorker staff writer and author of *The Longing for Less*, Kyle Chayka comes a timely history and investigation of a world ruled by algorithms which determine the shape of culture itself. From trendy restaurants to city grids to TikTok and Netflix feeds, the world round

algorithmic recommendations dictate our experiences and choices The algorithm is present in the familiar neon signs and exposed brick of Internet cafes be it in Nairobi or Portland and the skeletal modern furniture of Airbnbs in cities big and small Over the last decade this network of mathematically determined decisions has taken over almost unnoticed informing the songs we listen to the friends with whom we stay in touch as we've grown increasingly accustomed to our insipid new normal This ever tightening web woven by algorithms is called Filterworld Kyle Chayka shows us how online and offline spaces alike have been engineered for seamless consumption becoming a source of pervasive anxiety in the process Users of technology have been forced to contend with data driven equations that try to anticipate their desires and often get them wrong What results is a state of docility that allows tech companies to curtail human experiences human lives for profit But to have our tastes behaviors and emotions governed by computers while convenient does nothing short of call the very notion of free will into question In Filterworld Chayka traces this creeping machine guided curation as it infiltrates the furthest reaches of our digital physical and psychological spaces With algorithms increasingly influencing not just what culture we consume but what culture is produced urgent questions arise What happens when shareability supersedes messiness innovation and creativity the qualities that make us human What does it mean to make a choice when the options have been so carefully arranged for us Is personal freedom possible on the Internet To the last question Filterworld argues yes but to escape Filterworld and even transcend it we must first understand it **Finish Your Story** Colton Iverson,2024-07-09

by teachers and researchers and includes case studies and children's perspectives. It provides practical and evidence-based advice, lesson ideas, and creative ideas to both support and challenge all school leaders, staff, and student teachers in their journey to create readers rather than children that can just read. DIY Bestseller Olena Berezovska, 2025-08-03. This book is not just a practical guide to self-publishing; it's your personal roadmap to modern authorship where creative inspiration meets technology. You'll learn how to turn an idea into a book that truly finds its readers, use AI tools for writing, editing, design, and marketing, avoid common mistakes new authors make, and build a professional author brand. Choose the best platforms for publication: Amazon, D2D, IngramSpark, Google Play, and more. Promote your book on social media, build a community, and monetize your creativity. *DIY Bestseller* is an honest conversation about how to become a 21st-century author without publishing barriers, without fear of technology, and with full confidence in your own voice and intelligence. *The Air Raid Book Club* Annie Lyons, 2023-07-11. Touching and heartwarming, get those tissues ready! JILL MANSELL. A warm and tender tale about the power of books. RUTH HOGAN. As the bombs began to fall, the book club kept their hopes alive. London 1938. Bookseller Gertie Bingham is facing difficult times, having just lost her beloved husband Harry, and with a lingering sadness at never having been able to have a child of her own. Struggling to face running the bookshop, she and Harry opened together. Gertie is preparing to sell up and move away when she is asked if she would be willing to take in a young Jewish refugee from Germany. Gertie is unsure, and when sullen teenager Hedy Fischer arrives, Gertie fears she has nothing left to give the troubled girl. But when the German bombers come and the lights go out over London, Gertie and Hedy realise that joining forces will make them stronger, and that books have the power to bring young and old together and unite a community in need in its darkest hour. A charming, uplifting story of resourceful women and the healing power of books. CLARE CHAMBERS. A heartwarming and tender ode to the power of storytelling and friendship. EMILIA HART. I loved this! A sweet and nourishing ode to books that historical fiction fans will love. KATE THOMPSON. Tender, touching, and utterly heartwarming. SARAH STEELE. A wonderful story of strong female friendship and found family. I absolutely adored it. Real reader review: Beautiful and moving in a way that we need right now. Real reader review: A beautiful depiction of a community striving to survive together. Real reader review: A gentle heartwarming read. Real reader review: *Congratulations, The Best Is Over!* R. Eric Thomas, 2024-08-06. NATIONAL BESTSELLER. The beloved author of *Here for It* returns with a collection of funny and compulsively readable *Vogue* hilarious and incisive *Time* essays about what happens after happily ever after. How is it possible that I liked this book even more than his last one? Phenomenal! Jenny Lawson, New York Times bestselling author of *Broken in the best possible way*. A BEST BOOK OF THE YEAR. NPR Garden Gun. Real Simple. After going viral reading the chaotic political news, having one too many awkward social encounters, and coming to terms with his intersecting identities, R. Eric Thomas finally knew who he was and where he was going. He was living his best life. But then everything changed. In this collection of insightful and hilarious essays, Thomas moves back to his perpetually misunderstood hometown of Baltimore, a

place he never wanted to return even to be buried and behaves completely out of character They say you can't go home again but what if you and home have changed beyond recognition From attending his twenty year high school reunion and discovering another person's face on his name badge to splattering an urgent care room with blood like The Shining to being terrorized by a plague of gay frogs who've overtaken his backyard Thomas provides the nitty and sometimes the gritty details of wrestling with the life he thought he'd left behind while trying to establish a new one With wit heart and hope for the future Congratulations The Best Is Over is the not so gentle reminder we all need that even when life doesn't go according to plan we can still find our way back home Emily and the Rat Dave Musson, 2025-09-25 There's a rat in room 388

Unfortunately it's not the type that pest control can deal with This rat is a paying guest at the Clifton Hotel in Kingsworth which means the only person who can deal with him is Emily the hotel's manager Frankly the guest from hell is the last thing she needs right now But as a nightmare week unfolds the rat in room 388 is only the start of Emily's problems Aside from the pink tails scampering feet and bad dreams Emily realises she might also have discovered something much more terrifying hiding in the window at her place of work Also includes the bonus stories You're Melting and Bad Dream
