

# 300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

## **Primer Creative Writing Prompts Kids:**

**Resources in Education** ,2001-04      Research in Education ,1971      **Local Literacies** Glenys Waters,2024-09-10

While many books have been written about basic literacy few offer detailed information on how to plan and carry out a community literacy project Fewer still give guidance in tackling the additional barriers of language culture and logistics in developing countries and in treating the local community as an active partner rather than a passive recipient in the literacy process In *Local Literacies Theory and Practice* Glenys Waters includes these elements and presents a practical guide for developing a literacy program Beginning with a discussion of the theories of learning and reading the author provides a detailed description of how to plan and organize a literacy program when the practitioner has little to go on but wit knowledge and determination With approximately one half of the book given to the development of instructional methods and materials in reading writing and basic math *Local Literacies* will be especially helpful to those doing literacy work in linguistically diverse settings in much of the developing world The reader will quickly discover that this is a book written by a person who has been there and done that Waters has spent more than twenty years in Australia and Papua New Guinea both as a practitioner and a consultant in programs of literacy for adults and children This personal experience plus a thorough knowledge of the professional literature makes *Local Literacies* a must for the pioneering literacy worker      **Early**

**Childhood Programs** Peggy Broadbent,2010-06 Broadbent describes programs she created and taught to combined first and second grade classes Chapters include descriptions of programs designed to address a wide range of ages intellectual levels and abilities without limits for achievement programs that parallel opportunities for healthy cognitive growth Children were involved in self initiated learning through exploration discovery and experimentation and motivating academic programs Many programs with a different level of achievement are appropriate for younger older and gifted students Upon reading this book another teacher may either adapt all or part of these programs as written or using the design of these programs create one s own Her programs include a daily Choice Time discussing how cognitive gains formed are the tools required for successful achievement in all academic areas how each beginning reader read her own book and after supplying enough materials guidance and support each child taught herself to read two language experience approaches for those in greatest need a literature study with questions incorporating six levels of thinking with aspects of literature building a town or a city providing the basis for learning reading skills through discussion and writing a writing program beginning with story writing and then including how writing is incorporated in many areas throughout the year stimulating supplementary activities in the Math Program with problem solving strategies patterning visual data and fun games and activities an extensive experiment with lima beans in the Science Program for Social Studies an emphasis upon personal development social interaction and cultural awareness a study of drama was learned after the class visited a professional theatre then returned to the classroom to create and perform their own plays Peggy s web site [www.peggybroadbent.com](http://www.peggybroadbent.com) is included to

view and copy materials for classroom use      *Bookmark Reading Program: Preprimer II: Happy morning* Margaret
