The Missed Mission of The Great Commission A First Century Discipleship Paradigm for the 21st Century

George Eberly, 2016-12-15 The Missed Mission of the Great Commission is discipleship or as Jesus puts it teaching them to observe all that I have commanded you Matthew 28 20 Thousands upon thousands of people have come to a personal relationship with Jesus Christ over the last four decades Yet during the same period of time the influence of Christianity on the American society has greatly diminished There have been many converts but far fewer have become disciples whose lives testify the presence of Jesus As Pastor Eberly shares about his years of ministry he calls the church back to a New Testament paradigm of discipleship He focuses on biblical principles rather than programs because one size does not fit all His book also points to practical ways in which these principles can be applied in whatever situation Making Disciples in the Twenty-First Century Church Joel Comiskey, 2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God's ultimate plan does he have a particular purpose for the cell based church I've been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2 1 2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28 18 20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God's Word All three aspects are essential to form disciples Training is needed

because disciples won't learn all they need to know in the cell. Coaching ensures that each leader is cared for and receives shepherding. The celebration service brings the cells together to hear God's Word, worship, and receive fresh vision. The goal of the two-wing cell church is to make disciples who make disciples. The cell church today makes disciples by following the early church pattern of cell and celebration. Recommendations I've read all of Joel Comiskey's books, but *Making Disciples in the Twenty First Century Church* is his best work yet. In this book, Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples. He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen. I'm looking forward to having all of our Pastors, Coaches, and Cell Leaders and Members read this book in the near future.

I am so excited about Joel Comiskey's new book *Making Disciples in the Twenty First Century Church*. When I'm asked what makes a cell church thrive, I always say discipleship. Thank you, Joel, for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth. I pray this book won't only be read but lived out as we were made to make disciples.

Senior Pastor, Antioch Community Church, President and Founder, Antioch Ministries International ____

I really like that Joel asked the *Why* question before the *How* question. He even takes on the *What* question, which is just as important. The interest in discipleship is greater now than anytime in the last fifty years. I fear, however, that we are using the same words but are not speaking the same language. I recommend this work. I cheer Joel on; he joins many of us who are masters of the obvious. It seems so obvious that our purpose is to be disciples and make disciples. I cheer him on because he goes beyond the *What* and *Why* and does address the *How*. This will help any person who reads it, and I pray that there will be many.

The history of the cell church movement in Brazil has many names of great men of God. Joel Comiskey certainly is one of them. We see how over the years his understanding of the New Testament Church has deepened. Again, Joel surprises us with this jewel. He covers many aspects of cell church life, showing us how discipleship relates to the broader scope of it and how to shape followers of Jesus. He takes us to the heart of the matter of the cell church as he states it: The purpose of cell ministry is making disciples who make disciples. Excellent book. The movement in Brazil certainly will be blessed through this book. Enjoy it.

In his tremendously helpful new book *Making Disciples in the Twenty First Century Church*, Joel Comiskey cuts directly to the core purpose of cell ministry, which is making disciples who make disciples. Then he tells us how to do it through the Cell Based Church. Like Joel's other books, *Making Disciples in the Twenty First Century Church* is solidly biblical, highly practical, wonderfully accessible, and is grounded in Joel's vast research and experience. Great job, Joel!

Skipp Machmer, 2014-10-28 In our challenging economic times it is no surprise that churches must get creative with their resources But the authors of The More with Less Church believe pastors leadership teams and planning committees should look on times such as these not as hurdles to overcome but as opportunities to reconsider entrenched but inefficient ministry practices that are siphoning time money and energy from their churches Drawn from time and field tested strategies this practical resource helps church leaders avoid costly mistakes and maximize the return on their investment in four areas of church life ministries staffing facilities and finances **The Disciple Maker's Handbook** Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts [A New Apostolic Reformation?](#) R. personal life Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emery wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book *Multiply* David Nelson, 2024-05-31 God has not only created us with the ability to multiply through having children he has also given us the power to multiply disciples who multiply disciples through the preaching of the gospel in the power of the Holy Spirit In Genesis and Acts we read how God enabled man to multiply biologically and spiritually We read how the number of disciples greatly increased and multiplied during the era of the early church In his book Dr David Nelson explains eight principles for building a ministry of multiplication These biblically based principles will empower you to see a solid ministry that will grow into a ministry that multiplies disciple makers
