Nakkula, Karen C. Foster, Marc Mannes, Shenita Bolstrom, 2010-07-23 It is a great pleasure to offer this volume from Michael J Nakkula Karen C Foster Marc Mannes and Shenita Bolstrom as the latest in the Search Institute Series on Developmentally Attentive Community and Society Its importance to the series and this eld of inquiry and practice is readily evident in its title Building Healthy Communities for Positive Youth Development Since the early 1990s Search Institute has invited and encouraged communities of all shapes and sizes to use its framework of Developmental Assets and principles of asset building to create strong vibrant and welcoming communities for children and youth We have operated largely at the grassroots level encouraging innovation and adaptation around a shared vision rather than proposing a program or model for replication We seek to learn as much from the communities as they learn from us This book offers in depth case studies of what happened in eight diverse communities that took up our invitation In them we see a wide array of strategies and approaches that on the surface seem to have little coherence But as Nakkula and colleagues found underlying each of these distinct efforts was a deep commitment to transforming the social norms of community life to more effectively attend to young people s healthy development throughout the first two decades of life There have been many ambitious efforts aimed at comprehensive community change on behalf of young people **E-Course Microsoft Office 97** Dan Oja, Joseph J.
