Systems from Hell David A. Rochefort,2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change

Narratives of Pedagogical Development and Navigation of Educational Contexts Gierhart, Aaron R.,2025-06-19 Educators continually adapt and grow within the changing landscape of teaching and learning As they respond to new challenges ranging from policy reforms and technological shifts to diverse classroom dynamics they craft personal and professional narratives that reflect their pedagogical approaches These stories reveal how teachers make sense of their experiences negotiate their roles and strive to meet the needs of their students within complex educational settings Understanding these journeys may offer valuable insights into the ways educators learn reflect and transform their practices Narratives of Pedagogical Development and Navigation of Educational Contexts explores various stories of pedagogy and teaching as a process of growth and change It presents an alternative to traditional views of teaching as a profession examining the social and political forces impacting education and highlighting the realities of teaching amidst various social challenges and political issues This book covers topics such as sociology teacher training and education policy and reform and is a useful resource for educators sociologists policymakers academicians researchers and scientists Sonic Technologies Robert Strachan,2017-01-12 Awarded a Certificate of Merit at the ARSC Awards for Excellence 2018 In the past two decades digital technologies have fundamentally changed the way we think about make and use popular music From

the production of multimillion selling pop records to the ubiquitous remix that has become a marker of Web 2.0 the emergence of new music production technologies have had a transformative effect upon 21st Century digital culture Sonic Technologies examines these issues with a specific focus upon the impact of digitization upon creativity that is what musicians cultural producers and prosumers do For many music production has moved out of the professional recording studio and into the home Using a broad range of examples ranging from experimental electronic music to more mainstream genres the book examines how contemporary creative practice is shaped by the visual and sonic look and feel of recording technologies such as Digital Audio Workstations **Bestsellers and masterpieces** Heather Blurton,Dwight F.

Reynolds,2022-08-16 **Bestsellers and masterpieces** The changing medieval canon addresses the strange fact that in both European and Middle Eastern medieval studies those texts that we now study and teach as the most canonical representations of their era were in fact not popular or even widely read in their day On the other hand those texts that were popular as evidenced by the extant manuscript record are taught and studied with far less frequency The book provides cross cultural insight into both the literary tastes of the medieval period and the literary and political forces behind the creation of the modern canon of medieval literature **Shayaron Se Labh Kaise Kamayein** S S Grewal, **The Heartbreakers** Ali Novak,2015-08-04 When I wasn't reading this book it was all I wanted to be doing Adorably romantic and fun I loved it Kasie West author of The Distance Between Us From beloved Wattpad sensation Ali Novak author of My Life with the Walter Boys comes this swoon worthy YA romcom about a teen who accidentally falls for the lead singer of a world famous boy band perfect for fans of Jenny Han and Miranda Kenneally When I met Oliver Perry I had no clue he was the lead singer for The Heartbreakers And he had no idea that I was the only girl in the world who hated his music Stella will do anything for her sick sister Cara even stand in line for an autographed Heartbreakers CD for four hours She's totally winning best birthday gift this year At least she met a cute boy with soft brown hair and gorgeous blue eyes while getting her caffeine fix Too bad she'll never see him again Except Stella's life has suddenly turned into a cheesy love song Because Starbucks Boy is Oliver Perry lead singer for the Heartbreakers And even after she calls his music crap Oliver still gives Stella his phone number And whispers quotes from her favorite Disney movie in her ear OMG what is her life But how can Stella even think about being with Oliver dating and laughing and pulling pranks with the band when her sister could be dying of cancer First a hit on the online community Wattpad Ali Novak's second novel has over 38 million reads and is loved by readers around the world With a perfect balance of humor heart and romance The Heartbreakers is a great choice for readers looking for fun contemporary romance for teens Wattpad love stories romcoms that cover deeper issues like family illness and self discovery binge worthy YA novels [The African Book Industry](#) UNESCO,2025-06-18 **Build a Name That Builds Income: Personal**

Branding for Thought Leaders Explained Ahmed Musa ,2025-05-24 People don't buy products They buy people they trust follow and believe in Build a Name That Builds Income Personal Branding for Thought Leaders Explained is the no fluff guide

to turning your name into a magnet for attention influence and high ticket opportunities If you ve got opinions experience and a voice you ve already got the raw material Now it s time to shape that into a brand that sells while you sleep Inside you ll learn Why your personal brand is more profitable than any logo How to stand out without shouting or selling your soul The Credibility Triangle that makes strangers trust you instantly What content to post to be seen as a go to expert without posting daily How to attract clients interviews and deals just by being you but sharper This book is not about fake personas or Instagram fame It s about building authentic authority that turns your name into an asset Because once your name carries weight Money respect and opportunity come looking for you The Russian-Ukrainian Conflict and War Crimes Patrycja Grzebyk,Dominika Uczkiewicz,2024-10-07 This book offers a multidisciplinary examination of the international crimes committed in the Russia Ukraine War and the challenges of their prosecution and documentation As the largest international armed conflict in Europe since World War II Russia s war against Ukraine has provoked strong reactions and questions about the post 1945 world order the utility of the war and the effectiveness of international criminal justice Throughout the chapters in this volume scholars and legal practitioners from Canada Germany Poland Ukraine the UK and the United States present the results of interdisciplinary research insights from the perspective of other post communist states and first hand expertise from directly working on the documentation and prosecution of these crimes This offers a broader picture of post Cold War relations and sheds light on the roots and nature of the war and the importance of regional approaches The chapters also present some possible responses to the crimes committed in the conflict with a focus on a victims centered approach to transitional justice This volume will be of interest to scholars and students of international criminal and humanitarian law security studies peace and conflict studies and Eastern European history Westlessness Samir Puri,2024-07-25 The must read book to help you make sense of the world perfect for fans of Prisoners of Geography How the World Made the West and Empireland Well informed and very valuable International Affairs Donald Trump has been re elected The Russian Ukraine war has entered its fourth year China s economy is slowing down Far right parties and politicians are surging in popularity across Europe Westlessness by former UK diplomat Dr Samir Puri is here to help make sense of these continual seismic shifts to the world order In this book he vividly demonstrates how in demographic economic military and cultural terms we are hurtling into a far more diverse global future Many of our certainties about the present built on centuries of massive Western global impact are increasingly fragile Untold wealth is moving from the West to the East as nations like India and Indonesia are set to reach new heights of growth and confidence And China continues its ascent to the peak of the economic mountain but are cracks appearing And will the Western world under the aegis of US global military economic technological and cultural power give up its privileged position willingly Nothing is linear and nothing is predictable Are we prepared personally and professionally for a far more diverse global future Prepared or unprepared Westlessness is our guide to a new world order What readers think Insightful and thought provoking Highly

recommended Loved this book a real insight into how the world is changing and gives an interesting glimpse into the future A great read and would definitely recommend A fascinating book written empathetically that deals with the shifting nature of power imbalances in the world until now full of sober projections into the future Westlessness does not take sides is not alarmist and is not emotional in any way yet it deals with the complexity of feelings aroused over issues of identity both Western and otherwise and colonial legacy A must read to understand the often bewildering world we now live in written as a scholarly book in an accessible tone

Thailand Various, 2025-05-22 These books are so rich and engrossing that it is rewarding to read them even when one is stuck at home The TLS The Passenger makes its first stop in Southeast Asia A journey to one of the world's major tourist destinations In this volume Pitchaya Sudbanthad Buddhism the State and Superpowers Emma Larkin The Country of Spirits Claudio Sopranzetti Monarchy Under Attack and soft power and the working class the heart of rural Thailand and the separatism of the southern peninsula the success of Boy Love the palm oil scandal and much more Recent Thai history is a thrills and spills tale filled with street clashes palace coups intrigues attempted revolution restoration and democratic elections It is an impossible democracy where the working classes progressives and young urban professionals push for reforms and clash with the conservative nobility and business elite Thailand is perceived as permissive and tolerant but it hides a prudish core And yet one of its main cultural exports is Boy Love stories romantic tales featuring male protagonists These stories are the flagship of a cultural revolution and has brought investment in the entertainment industry and Thai soft power to new levels Behind this sparkling Thailand exemplified by its capital Bangkok the most visited city in the world in 2023 are vast regions like Isaan in the Northeast a third of the area and population that remain far from the familiar tourist routes With their ethnic and linguistic diversity and rural character regions such as these embody the kaleidoscopic soul of a country often overwhelmed by waves of assimilation and centralization Despite efforts to impose a single culture ethnicity and religion Thailand's true strength seems to be syncretism religious and otherwise as demonstrated by the millions of Chinese immigrants who over the past century have increasingly mingled with the local populations to the point of becoming indistinguishable
