Solomons Executioner:

Solomon's Noose Steve Harris, 2018-09-01 The story of a young convict Solomon Blay who became Her Majesty's hangman in Van Diemen's Land the man who personally had to deliver an Empire's judgment on 200 men and women and endured his own noose of personal demons and demonisation in order to survive all in the context of the great struggles of good evil life death hope despair which drew the attention of Darwin Twain Trollope and Dickens as Van Diemen's Land evolved from a Hades of Evil to sow the seeds of nationhood The book paints a vivid picture of the society and poverty from which Blay's character was forged in England and the desperate brutal nature of being a convict in Van Diemen's Land Solomon's Noose is an important book in exposing the dark underbelly in the formation of modern Australia From the furthest corner of that foreign country the past comes the haunting story of the convict who became the British Empire's youngest executioner Beware the shock of the true Andrew Rule award winning journalist and author Impressive research and a story that challenges the imagination except that it's true A prisoner elects to become a hangman to improve his lot in life All this set against the Gothic world of Van Diemen's Land in the time of convicts bushrangers and rough justice Les Carlyon bestselling author of Gallipoli and The Great War Servants of the Servant Don N. Howell, 2003-11-14 Leadership is a subject that has gained impressive visibility in the past two decades The number of books monographs and articles as well as seminars devoted to the development of one's leadership skills has been almost exponential growth This study is an attempt to forge a full orb'd theology of Christian leadership grounded in the teaching of Scripture What emerges from tracing the theme of leadership through the biblical record is a servanthood pattern one that is wholly distinct from prevailing secular models Our exposition begins with the biblical language of the servant the term of choice for those great leaders used of God to further his saving purposes in the world Eleven Old Testament and five New Testament leaders are profiled The portrait of Jesus Christ focuses on three motifs that governed his training of the twelve for kingdom ministry The Pauline letters are mined for those convictions that governed Paul's practice of leadership both of his mission team and of the faith communities that emerged from that mission The treatment of each leader from Joseph to Paul begins with a series of preliminary questions and concludes with a mini profile that correlates the biblical data with these questions The final chapter offers a summary profile of the servant leader one whose character motives and agenda align with the divine purposes Though designed as a textbook for upper level college and seminary courses on leadership the book's readable format is ideal for churches and parachurch organizations in their leadership training programs The author's prayer is that this work will serve as a catalyst to call God's people back to Scripture and thereby raise up a whole new generation of authentic servant leaders The Executioner's Men Samuel Logan, George W. Grayson, 2015-06-01 Los Zetas represent a new generation of ruthless sadistic pragmatists in Mexico and Central America who are impelling a tectonic shift among drug trafficking organizations in the Americas Mexico's marines have taken down the cartel's top leaders nevertheless these capos

and their desperados have forever altered how criminal business is conducted in the Western Hemisphere This narrative brings an unprecedented level of detail in describing how Los Zetas became Mexico's most diabolical criminal organization before suffering severe losses In their heyday Los Zetas controlled networks of American police politicians judges and businessmen The Mexican government is losing its war on drugs despite the military technical and intelligence resources provided by its northern neighbor Subcontracted street gangs operate in hundreds of US cities purchasing weapons delivering product executing targeted foes and bribing the US Border Patrol Despite crippling losses Los Zetas still dominate Nuevo Laredo the major portal for legal and illegal bilateral commerce They also work hand in glove with the underworld in Guatemala El Salvador and Honduras as well as with gangs like the Maras Salvatruchas
