Solving Discipline Problems Charles H. Wolfgang, 1995 Presenting the widest variety of techniques for helping with difficult children and the host of discipline incidents that can arise in the K 12 classroom this book will be invaluable to teachers It is different from other classroom management books in that it focuses on the various models and techniques to apply to those models *The Educator's Guide to Preventing and Solving Discipline Problems* Mark Boynton, Christine Boynton, 2005-11-15 What can you do to keep students from fighting in the hallways and acting out in class When they break the rules what disciplinary actions can you take to help students behave themselves in the future You ll find the answers to these questions and many more in this comprehensive research based guide to developing a schoolwide discipline system Preventing discipline problems usually requires less energy than coping with problems after they occur and a day without discipline problems is certainly more enjoyable for teachers and students alike With this in mind Mark and Christine Boynton present a wide variety of prevention strategies that any teacher can use including advice about their relative appropriateness in different settings and circumstances Of course even the most successful preventive measures sometimes can t stop a student from disrupting a lesson or picking on classmates In those situations it is crucial to know which interventions are effective and which are counterproductive This book will help you learn the most appropriate reactions to and consequences for student misbehavior as well as specific strategies for handling oppositional defiant disorder attention deficit hyperactivity disorder and anger management issues in students You ll also find ideas for exploring your school s philosophical beliefs concerning discipline promoting positive teacher student relations and establishing clearly defined parameters of acceptable classroom behavior Whether you re a K 12 teacher or a school principal *The Educator s Guide to Preventing and Solving*
