The Russian Revolution 1917 New Approaches To European History

Jessica Ortner

The Russian Revolution 1917 New Approaches To European History:

The Russian Revolution, 1917 Rex A. Wade, 2005-04-21 Rex Wade presents an account of one of the pivotal events of modern history combining his own long study of the revolution with the best of contemporary scholarship Within an overall narrative that provides a clear description of the 1917 revolution he introduces several new approaches on its political history and the complexity of the October Revolution Wade clears away many of the myths and misconceptions that have clouded studies of the period He also gives due space to the social history of the revolution and incorporates people and places too often left out of the story including women national minority peoples and peasantry front soldiers enabling a more complete history to emerge The 2005 second edition of this highly readable book has been thoroughly revised and expanded It will prove invaluable reading to anyone interested in Russian history

The European Revolutions, 1848-1851 Jonathan Sperber, 2005-07-07 Reaching from the Atlantic to Ukraine from the Baltic to the Mediterranean the revolutions of 1848 brought millions of people across the European continent into political life Nationalist aspirations social issues and feminist demands coming to the fore in the mid century revolutions would reverberate in continental Europe until 1914 and beyond Yet the new regimes established then proved ephemeral succumbing to counter revolution In this second edition Jonathan Sperber has updated and expanded his study of the European Revolutions between 1848 1851 Emphasizing the socioeconomic background to the revolutions and the diversity of political opinions and experiences of participants the book offers an inclusive narrative of the revolutionary events and a structural analysis of the reasons for the revolutions ultimate failure A wide reaching conclusion and a detailed bibliography make the book ideal both for classroom use and for a general reader wishing a better knowledge of this major historical event

A Generation of Revolutionaries Ben Eklof, Tatiana Saburova, 2017-10-19 Anyone interested in digging deeper into some of the less examined facets of late imperial and early Soviet Russia will be well rewarded American Historical Review Nikolai Charushin s memoirs of his experience as a member of the revolutionary populist movement in Russia are familiar to historians but A Generation of Revolutionaries provides a broader and more engaging look at the lives and relationships beyond these memoirs It shows how after years of incarceration Charushin and friends thrived in Siberian exile raising children and contributing to science and culture there While Charushin s memoirs end with his return to European Russia this sweeping biography follows this group as they engaged in Russia s fin de siècle society took part in the 1917 revolution and struggled in its aftermath A Generation of Revolutionaries provides vibrant and deeply personal insights into the turbulent history of Russia from the Great Reforms to the era of Stalinism and beyond In doing so it tells the story of a remarkable circle of friends whose lives balanced love family and career with exile imprisonment and revolution

Transcultural Memory and European Identity in Contemporary German-Jewish Migrant Literature Jessica Ortner, 2022 Examines how German Jewish writers from Eastern Europe who migrated to Germany during or after the Cold War have widened European cultural memory to include the traumas of the

Gulag Preserving the memory of the Holocaust as a moral and ethical limit case is key to the European Union's attempt to construct a pan European identity But with the Eastern expansion of the EU new member states have challenged the Holocaust's singularity calling for the traumas of the Stalinist Gulag to be acknowledged much more explicitly Thus even though Europe has been unified politically it is divided by its diverging perceptions of the past Jessica Ortner argues that German Jewish writers from Eastern Europe and the GDR who migrated to Germany as refugees during or after the Cold War have responded critically to the need to widen European cultural memory to include the traumatic experiences of the East The writers focused on include Katja Petrowskaja Olga Grjasnowa Lena Gorelik Vladimir Vertlib and Barbara Honigmann A central focus of the book is the traveling of memories from Eastern Europe and the GDR to Western Germany and Austria Introducing the term literature of mnemonic migration Ortner asserts that these authors' writings negotiate the mnemonic divide between East and West They criticize the normative memory politics of both Germany and the Soviet Union and address not only the politically explosive question of how to remember both National Socialism and Communism but also the status of Jews in contemporary Germany

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15

The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

The Russian Revolution of 1917 - Memory and Legacy Carol S. Leonard, Daniel Orlovsky, Jurej Petrov, 2024-07-30

The way in which the Russian Revolution of October 1917 is regarded and commemorated has changed considerably over time and is a contentious subject well demonstrated by the absence of any official commemoration in Russia in 2017 a huge contrast to the very large celebrations which took place in Soviet times This book which brings together a range of leading historians of the Russian Revolution from both Russia and the West and both younger and older historians explores the changes in the way in which the October 1917 Revolution is commemorated and also examines fundamental questions about what the Russian Revolution indeed what any revolution was anyway Among the issues covered are how Soviet and Western historians diverged in their early assessments of what the Revolution achieved how the period studied by historians has recently extended both much earlier before 1917 and much later afterwards and how views of the Revolution within the Soviet Union changed over time from acceptance of the official Communist Party interpretation to more independent viewpoints Overall the book provides a major reassessment of one of the twentieth

century's most important events The Communist Youth League and the Transformation of the Soviet Union, 1917-1932 Matthias Neumann, 2012-05-23 The study of Soviet youth has long lagged behind the comprehensive research conducted on Western European youth culture In an era that saw the emergence of youth movements of all sorts across Europe the Soviet Komsomol was the first state sponsored youth organization in the first communist country Born out of an autonomous youth movement that emerged in 1917 the Komsomol eventually became the last link in a chain of Soviet socializing agencies which organized the young Based on extensive archival research and building upon recent research on Soviet youth this book broadens our understanding of the social and political dimension of Komsomol membership during the momentous period 1917-1932 It sheds light on the complicated interchange between ideology policy and reality in the league's evolution highlighting the important role ordinary members played The transformation of the country shaped Komsomol members and their league's social identity institutional structure and social psychology and vice versa the organization itself became a crucial force in the dramatic changes of that time The book investigates the complex dialogue between the Communist Youth League and the regime unravelling the intricate process that transformed the Komsomol into a mere institution for political socialization serving the regime's quest for social engineering and control Revolutionary Russia Rex A. Wade, 2004 Presenting major writings on the revolution and its context bringing together key texts to illustrate interpretive approaches and covering the central topics and themes this volume forms a coherent representation of both the events and the theories and debates that relate to them **Thinking of Questions** Peter Limm, 2015-09-23 This is not a conventional book It is designed to stimulate and challenge all people who are curious to find out about the world they inhabit and their place within it It does this by suggesting questions and lines of questioning on a wide range of topics The book does not provide answers or model arguments but prompts people to create their own questions and a reading log or journal To this end almost all questions have a list of books or articles to provide a starter for stimulating further reading Once you start you will be hooked Never stop questioning **Royalty and Diplomacy in Europe, 1890-1914** Roderick R. McLean, 2007-07-26 This 2001 book examines the diplomatic role of royal families in the era before the outbreak of the First World War It argues that previous historians have neglected for political reasons the important political and diplomatic role of monarchs during the period Particular attention is given to the Prusso German Russian and British monarchies The Prusso German and Russian monarchies were central in their countries diplomacy and foreign policy principally as a result of their control over diplomatic and political appointments However the book also argues that the British monarchy played a much more influential role in British diplomacy than has been accepted hitherto by historians Individual themes examined include relations between Kaiser Wilhelm II and Tsar Nicholas II the political significance of the ill feeling between Wilhelm II and his uncle King Edward VII the role of Edward VII in British diplomacy and the impact of royal visits on pre 1914 Anglo German relations **The British National Bibliography** Arthur James Wells, 2006 **The Socialist Alternative to**

Bolshevik Russia Elizabeth White,2010-10-08 This book examines the role of the Socialist Revolutionary party which had been the largest and most popular party in Russia in 1917 and shows how after the October revolution rather than disappearing led by its leadership in exile it continued to observe and comment on developments in Russia

The Brusilov Offensive Timothy Dowling,2008-06-18 In the summer of 1915 the Central Powers launched an offensive on the Eastern Front that they hoped would decide the war It did not of course In June 1916 an Allied army under the command of Aleksei A Brusilov decimated the Central Powers gains of 1915 Brusilov s success brought Romania into the war extinguished the offensive ability of the Habsburg armies and forced Austria Hungary into military dependence on and political subservience to Germany The results were astonishing in military terms but the political consequences were perhaps even more significant More than any other action the Brusilov Offensive brought the Habsburg Empire to the brink of a separate peace while creating conditions for revolution within the Russian Imperial Army Timothy C Dowling tells the story of this important but little known battle in the military and political history of the Eastern Front

Shocking Contrasts Ronald L. Rogowski,2023-08-17 In the fourteenth century the Black Death killed as much as two thirds of Europe s population in the fifteenth the introduction of moveable type printing rapidly expanded Europe s supply of human capital between 1850 and 1914 Russia s population almost tripled and in World War I the British blockade starved some 800 000 Germans Each of these Shocking Contrasts argues amounted to an unanticipated shock positive or negative to the supply of a crucial factor of production and elicited one of four main responses factor substitution factor movement to a different sector or region technological innovation or political action sometimes extending to coercion at home or conquest abroad This book examines parsimonious models of factor returns relative costs and technological innovation It offers a framework for understanding the role of supply shocks in major political conflicts and argues that its implications extend far beyond these specific cases to any period of human history

A New Approach to Iqbal Muḥammad Ḥasan,1987 On the works of Sir Muhammad Iqbal 1877 1938 Urdu and Persian poet

Postcolonial Europe? Essays on Post-Communist Literatures and Cultures ,2015-07-28 This collective monograph analyzes post 1989 Central and Eastern Europe through the paradigm of postcoloniality Based on the assumption that both Western and Soviet imperialism emerged from European modernity the book is a contribution to the development of a global postcolonial discourse based on a more extensive and nuanced geohistorical comparativism It suggests that the inclusion of East Central Europe in European identity might help resolve postcolonialism s difficulties in coming to terms with both postcolonial and neo colonial dimensions of contemporary Europe Analyzing post communist identity reconstructions under the impact of transformative political economic and cultural experiences such as changes in perception of time and space landscapes cityscapes migration and displacement collective memory and trauma objectifying gaze cultural self colonization and language as a form of power the book facilitates a mutually productive dialogue between postcolonialism and post communism Together the studies map the rich terrain of contemporary East Central European

creative writing and visual art the latter highlighted through accompanying illustrations University of Michigan Official Publication University of Michigan,1986-09 Each number is the catalogue of a specific school or college of the University

Political Power and Social Theory Diane E. Davis,Christina Proenza-Coles,2008-09-07 Deals with the comparative and historical social science This title focuses on a variety of questions relating to states citizenship and power common themes examined with divergent analytical entry points and through deep knowledge of country cases as diverse as Russia the United States El Salvador South Africa and Israel *The Bolsheviks and the Russian Empire* Liliana Riga,2012-11-12 This comparative historical sociology of the Bolshevik revolutionaries offers a reinterpretation of political radicalization in the last years of the Russian Empire Finding that two thirds of the Bolshevik leadership were ethnic minorities Ukrainians Latvians Georgians Jews and others this book examines the shared experiences of assimilation and socioethnic exclusion that underlay their class universalism It suggests that imperial policies toward the Empire s diversity radicalized class and ethnicity as intersectional experiences creating an assimilated but excluded elite lower class Russians and middle class minorities universalized particular exclusions as they disproportionately sustained the economic and political burdens of maintaining the multiethnic Russian Empire The Bolsheviks social identities and routes to revolutionary radicalism show especially how a class universalist politics was appealing to those seeking secularism in response to religious tensions a universalist politics where ethnic and geopolitical insecurities were exclusionary and a tolerant imperial imaginary where Russification and illiberal repressions were most keenly felt Historical Controversies and Historians William Lamont,2005-06-20 For students new to the subject of history there are many books on the theory of writing history but fewer on how history is actually practised This work by a team of historians from the University of Sussex fills this gap The first half of the book examines a number of notable controversies that have been and still are the subject of historical debate for example race in South Africa the legacy of the French Resistance the origins of the Welfare State These illustrate the issues involved in doing history The second half of the book focuses upon the historians themselves such as Tawney Carr Buckhardt Weber Thompson and demonstrates how the historian puts his her own spin on historical interpretation Together the study of controversies and historians shows with clarity the practical issues of historical method *Historical Controversies and Historians* should be a useful primer for any student embarking on a course in history

This is likewise one of the factors by obtaining the soft documents of this **The Russian Revolution 1917 New Approaches To European History** by online. The Russian Revolution 1917 New Approaches To European History Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Russian Revolution 1917 New Approaches To European History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Russian Revolution 1917 New Approaches To European History has opened up a world of possibilities. Downloading The Russian Revolution 1917 New Approaches To European History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Russian Revolution 1917 New Approaches To European History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Russian Revolution 1917 New Approaches To European History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Russian Revolution 1917 New Approaches To European History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical

downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Russian Revolution 1917 New Approaches To European History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Russian Revolution 1917 New Approaches To European History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Russian Revolution 1917 New Approaches To European History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Russian Revolution 1917 New Approaches To European History is one of the best book in our library for free trial. We provide copy of The Russian Revolution 1917 New Approaches To European History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Russian Revolution 1917 New Approaches To European History. Where to download The Russian Revolution 1917 New Approaches To European History online for free? Are you looking for The Russian Revolution 1917 New Approaches To European History PDF? This is definitely going to save you time and cash in something you should think about.
