The Super-Helper Syndrome Jess Baker,Rod Vincent,2022-09-29 A fascinating insight into how and why we are compelled to help others even when we've got nothing left to give Amy Beecham Stylist This book is a powerful catalyst in showing helpers how to help themselves Suzy Reading author of The Self Care Revolution It goes well beyond reminding us of the importance of self care and digs deep into unconscious beliefs and thinking patterns I'm very sure that everyone could relate to the Super Helper Syndrome Carers UK I wish this book had been available for me to read years ago Besides explaining why super helpers behave as they do it's given me a healthier mindset and allowed me to reassess what boundaries around selflessness can look like Martine Croxall BBC Television journalist There's a type of person out there who is better at helping others than they are at looking after themselves Maybe you're one of them Maybe you know someone who is They are the backbone of the caring professions giving strength to our schools clinics care homes and hospitals But you will also find them in offices gyms community groups and charities everywhere you look There's usually one in every family But these people who do so much to help others are struggling Some face traumatic and distressing situations Those in long term caring relationships have no time to care for themselves Those who are professional carers work prolonged hours with inadequate resources Deeper down beneath all of this there is something else that causes helpers to suffer It dwells in their psychology and the belief system that motivates them The Super Helper Syndrome offers a new perspective on the psychology of helping It offers support for people who want to adopt a Healthy Helper Mindset including meeting their own needs countering the inner critic building assertiveness and setting helping boundaries It's only by doing these things that compassionate people can be most effective at helping others This book is for anyone who helps to the detriment of their own wellbeing It's for anyone who wants to support the helpers in their life And it's for anyone who wants to understand how

helping works and to be better at it *Criminal Mindset* Vaibhav Yadav,2025-07-03 The first step to power is understanding that rules exist to be bent They say fortune favors the bold but what if you could think like a master strategist with the stealth of a seasoned thief and the precision of a top tier lawyer Criminal Mindset invites you into a world where power isn't just seized it's engineered Drawing from the tactics of cunning minds who navigate the grey zones of society this book isn't about breaking the law but bending perception finding leverage in chaos and turning dead ends into openings This is not a manual for the reckless It's a challenge to think sharper act with surgical intent and stay firmly within legal bounds while operating at the edge of convention Whether you're a rising professional an entrepreneur or simply someone hungry to win this mindset rewires how you see risk power and opportunity Dare to think dangerously without crossing the line Once you adopt the Criminal Mindset there's no going back [Go Big Now](#) Julia Pimsleur,2021-03-30 Transform Aspirational
