That Old Devil Called God Again The Scourge Of Religion:

That Old Devil Called God Again Archbishop Jonathan Blake, 2014-08-29 Religion has brought the world to the brink of meltdown That Old Devil Called God Again shows how defenceless we are from the invading power of religious indoctrination to which Jesus fell victim From childhood like unprotected computers the predatory viruses of other people's beliefs and dogmas invade us until we emerge as adults unaware of how we have been infected The Rwandan genocide Omagh 9 11 suicide bombings Westgate and the Syrian carnage join the indictments against God Religion stands charged with contaminating our cultural development and impeding our moral aspirations This book gives us a chance to carry out a thorough virus scan to discover who we really are be given the chance to think anew and choose our beliefs The toxic nature of religious teaching is exposed and our basic assumptions and ideas are challenged with fresh and radical thinking that empowers and liberates us to become more fully human While laying siege to religion this book yet presents a passionate and positive call for a full and creative engagement with life and a vibrant spirituality *The Evil Creator* M. David Litwa, 2021 The Evil Creator Origins of an Early Christian Idea moves beyond previous Judaist readings to argue that the evil creator is a distinctly Christian idea in biblical interpretations Through Gnostic and Marcionite readings Litwa connects ancient analyses of God's wicked actions with analysis in modern theology **An Exposition of All the Books of the Old and New**
