Inkbound Realms: Traversing the Landscapes of English Literature 2025 ANINDRA KUMAR BISWAS, DR. APARAJITA SHUKLA, DR NEELAM SHUKLA, DR. REVANT GAUTAM, PREFACE Literature has always been one of humanity's most enduring ways of making sense of the world From the rhythm of ancient oral storytelling to the fluid prose of contemporary novels the written word carries with it the weight of history memory and imagination Inkbound Realms Traversing the Landscapes of English Literature was conceived as an attempt to bring these diverse voices together in one journey illuminating the traditions transformations and tensions that have shaped English literature across the centuries This book is not meant to be an encyclopaedic record nor a rigid survey of authors and dates Instead it aims to capture the living spirit of literature the way it reflects the concerns of its age while also transcending them Each chapter is crafted to situate texts within their cultural and historical contexts while offering readers concrete examples and case studies that bring the material to life Whether one encounters Chaucer's humour Shakespeare's depth Dickens's social vision or Woolf's experimental prose the intention is to show how these works remain relevant today The work is also guided by an inclusive

spirit English literature is no longer the sole property of Britain it is a global phenomenon shaped by writers from Asia Africa the Americas and beyond This book embraces that plurality tracing how English has become a shared language of storytelling capable of expressing local identities while also speaking to universal human experiences I hope that students will find in these chapters a helpful companion to their studies that scholars will appreciate the synthesis of tradition and contemporary insight and that general readers will discover or rediscover the joy of reading across ages and genres More than anything my aspiration is that this book encourages readers to see literature not as a closed canon but as a set of open landscapes realms bound in ink yet constantly expanding through new voices technologies and cultural encounters As you embark on this journey through the inkbound realms may you not only gain knowledge of English literature but also a renewed sense of its beauty power and capacity to connect us across time and place Authors Anindra Kumar Biswas Dr Aparajita Shukla Dr Neelam Shukla Dr Revant Gautam Heroines of the Postmodern and their Worlds in Contemporary Historical Fiction Alicja Bemben, Michael Joseph, 2025-09-29 This volume focuses on historical fiction written by and for women approximately in the last 30 years and across the entire globe It comprises three parts Part 1 draws on the theme of the inner life and experiences of the female historical figure Part 2 is concerned with genre bending that fuels the construction of the vast majority of story worlds within the genre and Part 3 with the idea of unusual angles that the historical fiction storytelling employs *The Hebrew Bible in Contemporary Fiction and Poetry* Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message *The Hebrew Bible in Contemporary Fiction and Poetry* is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature **Sleepy Hollow as American Myth** Steve A. Wiggins, 2025-07-17 Set near Tarrytown New York Washington Irving s short story *The Legend of Sleepy Hollow* has become mythic in American culture Its repeated reconceptions range from written works such as

Christopher Golden and Ford Lytle Gilmore's *Horseman* 2005 and Austin Dragon's *two Hunt for the Foul Murderer of Ichabod Crane* books 2015 to film and TV adaptations such as Etienne Arnaud's *The Legend of Sleepy Hollow* 1912 Edward D Venturini's *The Headless Horseman* 1922 Disney's *The Adventures of Ichabod and Mr Toad* 1949 Tim Burton's *Sleepy Hollow* 1999 and Fox Television's *Sleepy Hollow* 2013 17 that combined Sleepy Hollow's Ichabod Crane with Irving's other creation Rip Van Winkle This book explores the tale's host of afterlives tracing its path from a gothic comic story of Crane's encounter with the ominous Headless Horseman to Halloween and horror icon and cultural landmark for generations

Myth Reworks Sarah Coleman, AI, 2025-05-05 *Myth Reworks* explores the fascinating intersection of ancient mythology and contemporary fantasy literature It examines how enduring narratives symbols and archetypes from historical religious and belief systems are reconfigured in modern storytelling The book highlights the idea that these reworkings aren't mere creative borrowing but a reflection of our ongoing need to grapple with fundamental questions about identity and morality For example ancient sacred spaces are often reimaged in fantasy settings carrying symbolic weight that resonates with audiences even today The book delves into the adaptation of mythological figures the restructuring of ancient story patterns and the reimagining of sacred spaces It dissects how figures like gods and heroes are recast for modern narrative purposes It also analyzes how traditional plot structures such as the hero's journey are deconstructed and reassembled to address contemporary themes This approach offers valuable insights into the origins of our cultural narratives and the evolving nature of storytelling showing how ancient myths continue to shape our modern understanding The book begins by exploring the historical development of mythology tracing its evolution from ancient religious practices to its role as a source of literary inspiration Subsequent sections address the adaptation of mythological figures the manipulation of story patterns and the reinvention of sacred spaces The final chapter synthesizes these findings offering a broader perspective on the cultural significance of myth reworking and its implications for the future of fantasy
