Suffering from a form of light sensitivity she sleeps during the day missing out on all the typical things the other teens in her town do. One night when her flighty father is out on a job she falls for charmer Erebus Jones at first sight but then has a dream about a child she's supposed to have with him in the future and the peril that boy is in. With Erebus help she uncovers what it will take to save their future child blackmailing the powerful town mayor and teaching him to fear her. The two teens are in over their heads as they uncover shocking secrets and cross the line between what's right and what's wrong all in service of saving a child they can only have if their burgeoning relationship survives the danger they put themselves in.
